Tinsel, Trials, & Traitors Mary Seifert, 2022-08-18 Katie and Maverick are out for their walk when Maverick dashes through the moving gate at a self storage facility and they get locked in. By the time the police respond to the silent alarms the pair have set off the smell of exhaust fumes has begun to seep from one of the garage sized units and the car inside is quickly engulfed in a ball of flame. Was it a suicide that turned extra messy or did someone rig the expensive sports car to explode and kill the woman inside? When Katie starts to ask the tough questions it seems there were a long list of people who didn't much care for Sophie Grainger and several of them had motives for murder. But Katie also has her days full with the upcoming holiday season and her students who are participating in a mock trial competition. Will the kids make it to the state finals under the expert coaching of a local attorney who has joined their team? And will Katie and Maverick have a wonderful Christmas this year, the first in which Katie's dad has been home since the horrific shooting incident that nearly killed him? Join Katie, Maverick and their newfound extended family for the holidays, mixed of course with the usual action from their Search and Rescue operations and the breathless drama that Mary Seifert brings to all her mystery novels. Praise for the Katie and Maverick Cozy Mysteries. Immediately captivating. Katie and Maverick are destined to become a notable amateur sleuth team in the mystery world. Connie Shelton, USA Today bestselling author. I thoroughly enjoyed this debut book by Mary Seifert. This well written and thoughtful story kept me engaged with fun characters, interesting information and mind and math puzzles. Looking forward to book two. James, online 5 star review. Fun read. The author has an authentic voice and has done her research. The plot covers many topics: dogs, history, the inner workings of hospitals, family dynamics and more. I especially enjoyed the puzzles and little known historical facts that were part of the story. **Maverick Movies: Murder** kept my interest and left me wanting more. Highly recommend. Bidwell, 2024-07-04 Perhaps the single most important founding document of the United States of America the Declaration of
Independence became both a work of art and a mass market commodity during the nineteenth century In this book graphic
arts historian John Bidwell traces the fascinating history of Declaration prints and broadsides and reveals the American
public's changing attitudes toward this iconic text The new and improved intaglio letterpress and lithographic printing
technologies of the nineteenth century led to increasingly elaborate reproductions of the Declaration Some were touted as
precious relics others were aimed at the bottom of the market Rival publishers claimed to have produced the definitive
visualization of the document attacking the character and patriotism of other firms even as they promoted their own artistic
abilities and attention to detail Meanwhile painter John Trumbull attempted to sell subscriptions for an engraved version of
his Declaration painting and John Quincy Adams then secretary of state commissioned an official 1823 edition in response to
the feuding facsimilists seeking government patronage Bidwell unravels the intricate web of rivalries surrounding these
competing publications Featuring a comprehensive checklist of nearly two hundred prints and broadsides drawn from
various collections this engrossing history highlights the proliferation and widespread influence of the Declaration of
Independence on American popular culture It will be equally esteemed by general readers interested in American history
print and autograph collectors and art and book historians **The Balance Sheet** , 1942 Children Today , 1994
