*What the Bible Really Says about Slavery* Elreta Dodds, 2000      *Scriptural and Statistical Views in Favor of Slavery* Thornton Stringfellow, 1856      **The Bible Against Slavery: Human Rights Laws Written in the Holy Scripture** Theodore Dwight Weld, 2020-12-17 The Bible Against Slavery is a study on the subject of human rights written by American abolitionist Theodore Dwight Weld with the goal to refute the argument that Bible supports slavery The Bible contains many references to slavery which was a common practice in antiquity However the slavery mentioned in the Bible is quite different from chattel slavery practiced in the American South and in some cases the word slave is a mistranslation The author claims that the spirit of slavery never seeks shelter in the Bible      **The Testimony of God Against Slavery: a Collection of Passages From the Bible** La Roy Sunderland, 2024-10-11 Reprint of the original first published in 1836      **A Condensed Anti-slavery Bible Argument** George Bourne, 1845      **Is Slavery Sanctioned by the Bible?** Isaac Allen, 2019-12-02 In *Is Slavery Sanctioned by the Bible* Isaac Allen embarks on a rigorous exploration of one of the most contentious moral dilemmas in both theological and historical contexts With a meticulous examination of scriptural texts Allen employs a critical literary style that combines theological exposition with historical analysis drawing upon a rich tapestry of religious interpretations and cultural implications The book situates itself within a broader discourse on ethics morality and the human condition challenging the reader to grapple with the complexities of faith in light of practices that are often deemed archaic and morally reprehensible today Isaac Allen is a noted theologian and historian whose academic background grounds his inquiry into biblical texts and their interpretations throughout history His extensive research into the socio political climates that shaped sacred writings informs the nuanced perspectives offered in this work Having witnessed the continuing relevance of theological debates surrounding slavery in modern discourse Allen is motivated by a desire to uncover the intricate relationship between faith and morality while addressing historical injustices inflicted under the guise of religious sanction This thought provoking book is essential reading for scholars theologians and lay readers alike inviting them to reevaluate long held beliefs and consider the profound implications of biblical interpretation on contemporary ethical standards Allen s balanced and insightful approach not only educates but also inspires critical reflection on the intersections of scripture slavery and societal norms making it a pivotal addition to the ongoing conversation about morality in the context of faith

**The Biblical Journey of Slavery** Lynette Joseph-Bani, 2010-07-13 The narrative presented provides a source of enlightenment for descendants of the African Diaspora The past enslavement of Captive Africans was not an accident but fulfillment of Biblical prophecy The Prophet Moses warned in scripture that the Hebrews will be enslaved in the latter days by a nation of fierce countenance and taken away naked in ships A yoke of iron will be on their necks no regard for the old or favour for the young Deut 28 48 50 64 68 The 400 years of Hebrew slavery in Egypt is paralleled with 400 years the Atlantic Slave Trade endured for African people The Ancestral history of the African Diaspora provides knowledge of a legacy of

greatness as well as an inheritance of sad consequences brought about through a curse for disobedience The text will show that the Anglo American world power fits the description of the last world power that will enslave the people who were delivered from Egyptian bondage Illustrations and maps provide information on ancient lands and the people of scripture It challenges the accepted view of the masses on characters of scripture and will show from the Bible and secular historical accounts where descendants of a family that started out in Mesopotamia can be found today Black People need to recognize their roots in order to grow and become fit for the services they were created to perform The journey will acquaint readers with the contributions Africans made to the world and the inherited legacy theyve been denied The Bible Against Slavery

Freedom Catherine Upchurch,2021 The universal yearning to be free has been behind most political revolutions and movements Likewise it is the foundation of almost every treatment plan for those dealing with addictions And it is certainly a constant theme of the spiritual life as one by one sinful impulses and patterns are stripped away and the freedom of God s mercy is embraced Freedom however requires a consciousness of what binds us a realization of how we have kept others from experiencing true freedom and a call for justice for those who are enslaved in systems and policies that fail to honor the dignity of all of creation In other words before we can fully enjoy the freedom of the glory of the children of God as St Paul says in Romans 8 21 we have to identify forms of oppression that enslave so many Bible Defence of Slavery Josiah Priest,1851 *The Testimony of God Against Slavery* La Roy Sunderland,2024-09-27 Reprint of the original first published in 1839 *A Condensed Anti Slavery Bible Argument* George Bourne,2024-07-09 Reprint of the original first published in 1845 *Noah's Curse* Stephen R. Haynes,2002-03-28 A servant of servants shall he be unto his brethren So reads Noah s curse on his son Ham and all his descendants in Genesis 9 25 Over centuries of interpretation Ham came to be identified as the ancestor of black Africans and Noah s curse to be seen as biblical justification for American slavery and segregation Examining the history of the American interpretation of Noah s curse this book begins with an overview of the prior history of the reception of this scripture and then turns to the distinctive and creative ways in which the curse was appropriated by American pro slavery and pro segregation interpreters **Domestic Slavery Considered as a Scriptural Institution** Richard Fuller,1856 **The Bible and Black Slavery in the United States** William L. Banks,1998-12-01 **Deliverance from Slavery** Dick Boer,2015-10-14 Delivery from slavery these words taken from a Dutch labour movement song perfectly map onto the Bible s central concern They are also similar to the Torah s key phrase I am YHWH your God who brought you out of Egypt out of the house of bondage Ex 20 2 The words are invoked here to serve as an axiom to be introduced into the modern period The watchword delivery from slavery translates the biblical message of the exodus from slavery into the theory and practice of a modern liberation movement The present work argues that biblical theology is the attempt to update the language of the message It searches for a language that attends to the concerns of today s world while preserving the concerns that originally motivated biblical language *Slavery as Salvation* Dale B. Martin,2021-03-30 Early Christians frequently used metaphors about slavery calling themselves slaves of God and Christ and referring to their leaders as slave representatives of Christ Most biblical scholars have insisted that this language would have been distasteful to potential converts in the Greco Roman world and they have wondered why early Christians such as Paul used the image of slavery to portray salvation In this book Dale B Martin addresses the issue by examining the social history and rhetorical and theological conventions of the times The first half of the book draws on a variety of historical sources inscriptions novels speeches dream handbooks and agricultural manuals to portray the complexity of slavery in the early Roman empire Concentrating on middle level managerial slaves Martin shows how slavery sometimes functioned as a means of upward

social mobility and as a form of status by association for those slaves who were agents of members of the upper class For this reason say Martin slavery of Christ brought the Christian convert a degree of symbolic status and lent the Christian leader a certain kind of derived authority The second half of the book traces the Greco Roman use of political rhetoric that spoke about populist leaders as enslaved to their followers especially to members of the lower class This provides the context for Paul s claim in 1 Corinthians 9 that he has enslaved himself to all that is to those very people he is supposed to lead as an apostle Martin thus interprets this statement to mean that Paul identifies himself with the interests of persons with lower status in the Corinthian church calling on those with higher status to imitate his self debasement in order to further the interests of those below them on the social scale     *Studies On Slavery* John Fletcher,2020-07-26 Reproduction of the original *Studies On Slavery* by John Fletcher     **Domestic Slavery Considered as a Scriptural Institution** Francis Wayland,Richard Fuller,2024-07-09 Reprint of the original first published in 1845     **Slavery Sanctioned by the Bible** John Richter Jones,1861
