Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism

**Dead River to Living Water** Tommy Poole, 2023-04-18 Will you love her honor her and cherish her for as long as you both shall live Tommy assented to this question not once not twice but three times And each time he stood before the same woman Follow his story as he journeys from the Dead River swamp of South Georgia through the muddy waters of a sin filled life as a rebellious teen a disrespectful son an arrogant US Marine an unfaithful husband and an absent father until in desperation and on realizing his need for more than human help he cried out to God You will be inspired as his story unfolds Just as the Samaritan woman at Jacob s well received a drink of Jesus s living water changing everything for her so it was for Tommy Poole A life of sin being overcome by God s abundant amazing grace and love and then the incredible joy of experiencing human forgiveness that comes after which could only be the fruit of the Savior s example all lead to a life of service in ministry for his Redeemer Tommy journals how the voyage from this life s dead river to living water is possible for everyone Comments from Pastor Gary Moyer VP for Administration Executive Secretary of the Caroline Conference If you need encouragement that God is able to turn your life around for the better you need to read this book This is one of those easy compelling reads I found hard to put down I ve known Tommy for years but never knew the whole amazing story Wow Comments from Thomas T Hardy Director and Speaker of the Layman s Guidepost LLC What an amazing testimony Absolutely amazing I love the river water allegory and how it remains consistent throughout the book The opening scene at the kitchen table is incredibly powerful It drew me in immediately Your early years were so intensely challenging with so many distinctive experiences This story is something a lot of people will not be able to put down once

they get started It is almost like a movie Your raw honesty is very earthly and real making your references to the spiritual concepts more voracious for the consumption of the reader I love it The impelling motives you give the reader at the end of most chapters kept me wanting more Yet the horrors of the alcoholic demon that overshadowed your life gave me great insight about and empathy for your struggle Pastor This is good stuff Both interesting and spiritually compelling this book grips the reader from the outset with scenes of gritty fallen humanity inspired and transformed by the living waters cascading from the throne of God The reader is invited to relive the journey of a man caught in the throes of the fallen nature being miraculously lifted up by the hands of Jesus Christ from His cross Thank you so much for allowing me the privilege of reviewing this book It has been a personal blessing to me in my faith walk and I am sure that it will be a blessing to every soul who reads it      **Manna:Aha,Aha.The Narwhals Have Arrived!The Story of the 144,000 Living Saints on the Move.** Judith Williams,2022-05-10 This type of Manna is clearly a big surprise to all as the events that have been occurring in our world have a totally different meaning under the lens of Inspiration      *Levite Praise* Cheryl Wilson-Bridges,2013-01-09 *Levite Praise* delves deeply into the Scriptures to help worship leaders and worshipers develop a full understanding of what it means to direct and take part in God s perfect model for praise and worship It addresses the differences of opinion on the topic and offers biblical counsel with regard to how praise and worship should be carried out and how its leadership should be organized      Catalog of Copyright Entries. Tomlinson,Debra L. McDougall,2013 The phrase Christian politics evokes two meanings political relations between denominations in one direction and the contributions of Christian churches to debates about the governing of society The contributors to this volume address Christian politics in both senses and argue that Christianity is always and inevitably political in the Pacific Islands Drawing on ethnographic and historical research in Papua New Guinea Solomon Islands

Vanuatu and Fiji the authors argue that Christianity and politics have redefined each other in much of Oceania in ways that make the two categories inseparable at any level of analysis The individual chapters vividly illuminate the ways in which Christian politics operate across a wide scale from interpersonal relations to national and global interconnections
