Therefore Rear Admiral Ben Moreell determined to activate organize and man Navy construction units On 28 December 1941 he requested specific authority to carry out this decision and on 5 January 1942 he gained authority from the Bureau of Navigation to recruit men from the construction trades for assignment to a Naval Construction Regiment composed of three Naval Construction Battalions This is the actual beginning of the renowned Seabees who obtained their designation from the initial letters of Construction Battalion Admiral Moreell personally furnished them with their official motto Construimus Batuimus We Build We Fight      **Chronicle Financial Aid Guide** Chronicle Guidance Publishers,2002
