Authority Encounter Chuck Davis,2013-05-13 What now Followers of Jesus often have this question looming over their mind and heart but Pastor Chuck Davis provides clarifying answers and guidance in his book Authority Encounter through biblical verses that will help readers understand their authority and deepen their understanding of the kingdom of God We live in a world rooted in power and followers of Christ are challenged daily by the powers that seek to interrupt or trample their success While followers are empowered through the Holy Spirit this power is only operational as they function out of their God given authority and so everything they need is already at their disposal It is Davis that brings to light how to immerse oneself in what it means to be positioned in Christ and how to actively appropriate one s authority in both attitude and action *Understanding Spiritual Warfare* Sam Storms,2021-04-27 A comprehensive theological guide to everything the Bible has to say about spiritual warfare Many Christians today are unaware or skeptical of the reality of Satan and the role he and his demonic hordes seek to exert on our lives But if we re to take Scripture seriously we can t overlook the biblical assertions about the spiritual battles between the kingdom of God and the kingdom of the devil The truth is that believers in Jesus are certain to encounter men and women of all ages who are oppressed tormented and tempted by demonic powers In *Understanding Spiritual Warfare* theologian and professor Sam Storms confronts the reality of the spiritual conflict in our

midst the threat of the demonic and how we as Christians can respond to such a threat in our own lives and in the lives of others Storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic answering question like Who is Satan and his demons and how do they act Can a Christian be demonized How does the authority of Christ defeat the devil and the demonic What is warfare prayer and how can we wield it Perfect for any individual or group who wants to grow in their understanding of spiritual warfare Understanding Spiritual Warfare also serves as a training manual for a ministry of deliverance and inner healing C.S. Lewis, Spinner of Tales Evan K. Gibson,2009-01-10 Gibson s scholarly but highly readable study written for those who already enjoy Lewis s fiction will enhance understanding and appreciation both of the stories themselves and of their literary and theological aspects He examines Lewis s masterful story telling techniques and conversational style anyalyzes plot structure and point of view and traces the development of main characters through the action and narrative He also defines and discusses the important themes in Lewis s work the nature of divinity the nature of evil and the virtuous life Throughout his study Gibson sees Lewis as both poet and logician a poet for his ability to portray the delightful landscapes of his stories and a logician for his carefully structured story telling technique He is as Gibson clearly shows a first rate craftsman indeed a spinner of tales

World ,1991 **The Bold Christian** Chuck Davis,2016-01-25 Opposition is inevitable in any worthwhile pursuit Jesus promised challenges in the faith journey In the world you will have tribulation But take heart I have overcome the world John 16 33 There is some reflex in all of us upon hearing these words from Jesus he may have overcome the world but what about me Davis presents the case that one key aspect of being an overcomer for the Christ follower is the notion of spiritual authority Living in a world that is rooted in power Christ followers are challenged daily by powers that seek to interrupt or trample their success in the journey through Christ As believers everything they need is at their disposal however they must actively appropriate their authority in attitude and action Davis provides a biblical theology of authority and real life examples of how he and others have embraced their spiritual authority to advance the kingdom of God in this manual for overcoming spiritual opposition in *The Bold Christian* *Subject Guide to Children's Books In Print, 1996* R R Bowker Publishing,1996 *The History of the New Testament* Jonathan F.
