**The Defender Magazine**, 1957 *Belonging* Karoline M. Lewis, 2023-01-17 Ministry leaders and other Christians find a deeply personal pathway to discern what discipleship means for them in *Belonging* by Karoline Lewis What does it look like for you to belong to Jesus Christ Not your colleague or your professor or your neighbor or the leaders of your denomination but you How might your one and only life be patterned differently to more truly align you with Christ What pretense might you give up What potential might open up for you as a leader and disciple *Belonging* 5 keys to Unlock Your Potential as a

Disciple helps readers to understand and live out Christian discipleship in a way that is most deeply authentic for themselves. It's for the leader who is exhausted from trying to live by other people's templates who wants to figure out what it looks like to live lead as only they can. It's for the student or layperson desiring to follow Christ with integrity to be themselves fully as a disciple. This book is scholarly but accessible for pastors, students, ministry leaders, and laypersons. Karoline Lewis structures it around the story of the Samaritan woman and guides the reader to discover deep connection with biblical characters who lead to self-discovery. Questions for reflection throughout the book evoke deep insights about self-theology and discipleship. Belonging is excellent for clergy development and ministry leader development in any setting and can be read and studied alone or in groups. Pastors and other congregational leaders can work their way through the book together in order to lead the church with greater integrity. *Stop Asking Jesus Into Your Heart: The Teen Edition* J.D. Greear, Jason

Gaston, 2018-05-01 Why is it so difficult to know that you are saved? The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance and answers the tough questions: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear and Gaston are careful to present the material with a pastoral sensitivity and communication technique that makes this message teachable and applicable to teens. **The Universalist**
