Me-Search and Re-Search DeMethra LaSha Bradley,Robert Nash,2011-03-01 From the Foreword Robert and DeMethra s book Me Searching and Re Search has caught my fancy in a number of ways The book title cleverly captures what SPN is all about it is about self narratives the me search part and about scholarly meaning making the re search part This eye catching title also illuminates the authors intent to turn this seemingly

intimidating method of self inquiry into something very accessible and doable Their jargon free language is friendly and inviting Although they don't intend to make their many methodological tips and tools too prescriptive their practical suggestions provided in this guide book are indeed helpful and useful I believe that Robert and DeMethra have demonstrated admirable talents as effective educators by unpacking the complex method of SPN writing into bite sized steps I am fully convinced that the steps will help both novices and the experienced researcher to reach the ultimate height of producing engaging and scholarly significant SPN's The book is also fun to read The authors intersperse throughout their own SPN's pedagogical insights from their doing and teaching and real life stories in order to illustrate the methodological process challenges and triumphs

Lyrics in Search of Music Aaron C. Jones, 2011-10-18 Volume 2 Aaron Jones began writing lyrical poetry in the late 1980s He was inspired by his brother Eddie's band to compose his poems in the form of songs The title of this poetry collection *Lyrics in Search of Music* was inspired by the fact that Eddie could not write music to words already written Jones hopes that by offering up his collection at least one of his poems will have life breathed into it finally pairing his poetry with the right music This is his fondest dream But Not If You Depart You say you have no reason to live But can you tell me why Why you think you have no more to give You have to give love to get love That's what I'm trying to tell you That love you are undeniably worthy of If you end it all now it won't hurt you at all It will devastate all the hearts you've encountered Were the ones that get hurt after you fall Listen your heart is broken Your feelings you're cloaking We can repair your heart But not if you But not if you But not if you depart
