### IMPORTANT-READ BEFORE MOUNTING CARRIER TO VEHICLE

Before installing the carrier, carefully read the guidelines for use of the carrier. Proper installation of the carrier is the customer's responsibility. The manufacturer's warranty is limited to the repair or replacement of a defective carrier. Damage to the vehicle, the carrier's contents, or to any portion of property is excluded.

The Sport 20-SV carrier can only be mounted to roof racks with a capacity of 150 pounds or more. See application chart on store display for approved factory installed roof racks. No more than 100 pounds of evenly distributed weight should ever be transported in the carrier.

1. Consult the vehicle owner's manual or the vehicle dealership for the weight capacity of factory installed roof racks.
2. If using an aftermarket roof rack consult the manufacturer of the roof rack for weight capacity.

Do not travel with an empty carrier at speeds over 40 MPH. Keep a maximum of 50 pounds in the carrier at high speeds to avoid undesirable wind effects. It is recommended to remove carrier from vehicle when not in use.

All carrier hardware should be firmly attached. When traveling periodically check all hardware to assure it is fastened securely. The carrier is water resistant, not waterproof. Always protect contents accordingly.

DO NOT place valuable or fragile items in the carrier. Sudden stops may cause contents to shift, possibly damaging items. The carrier is not designed to be accident or theft proof. The manufacturer and retailer cannot be held responsible for damage or theft of carrier's contents.

### LIMITED WARRANTY

The Sport 20-SV warranty is limited to (1) year from the date of purchase which includes defects in material and workmanship. Manufacturer's warranty obligation is at manufacturer's sole discretion upon inspection of the carrier.
