Sex Guides

Patty Campbell, 2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality

The First-Time Mama Pregnancy Guide Elizabeth Ramirez, 2020-11-08 You've been expecting it

for a long time or it happened suddenly but those lines aren't wrong you're pregnant Oh my God And now Once you've overcome the initial shock what do you have to do The cases are two either you do not know anything about pregnancy either you have a lot of confusing information that you have learned from TV series or your friends' stories But the reality is only one every pregnancy is a different story and you need to live your story in a sincere calm and informed way The truth is that you never feel prepared enough but it is normal Don't panic The children do not come with the instruction manual but everything is part of nature's grand plan There is always something new to learn something you may have forgotten or not foreseen to which you will have to pay attention Whether you're a first-time parent or simply in need of a refresher this book will be your precious guide for the next nine months Each pregnancy stage has its beauty importance and value from conception to the first three months the second trimester the final stage of pregnancy to childbirth Not to mention that this is only the beginning of the adventure This guide goes through all the stages of pregnancy step by step month after month from the evolution of your baby to the changes in your body to the changes in your emotional state to checks and tests to experience a healthy and peaceful pregnancy You will track your baby's progress as well as find a thorough analysis of your emotions I know it now you feel tired stressed scared but with the right awareness you can arrive calm and prepared at the time of your baby's birth So what is important to know to better deal with pregnancy Don't worry mom to be Thanks to this book you will have all the information you need right now In this guide you will learn How to deal with nausea that you may have in the first few months of pregnancy How your tastes change or how you are taken by half-day sleep attacks How your body and hormones will change and why sometimes that become problematic or turn into diseases Being aware of them without turning them into fears can be useful to face them correctly and diagnose them very soon Is it necessary to change your habits during pregnancy If so which and how How does your baby grow inside the belly during those nine months The tests that you have to do Pregnancy is not a disease but science and medicine allow us to make preventive checks to carry it out in the best way and in complete safety The answers to all the questions about childbirth and the moments before and after the birth because when the fateful moment arrives no one is really ready So are you curious to find out how your world will forever change between now and the next nine months and beyond and how to prepare for a natural and fearless birth What are you waiting for Grab your mom to be guide and start your journey to get ready to become a mom now

marginalizes fathers threatening the best interests of children Inspired by his own experiences and those of other fathers the author reveals the immense strength required to challenge deeply entrenched biases

Legal Strategies and Practical Insights Gain valuable insights and practical strategies for self represented litigants fighting for their parental rights This book offers a roadmap for navigating the complexities of family law empowering parents to advocate effectively for their children

Equality Before the Law Explore the critical principle of equality before the law a cornerstone of justice that empowers every citizen regardless of their background or social standing to hold the government and its institutions accountable Learn how state sanctioned discrimination whether based on gender or race undermines this principle and threatens the future of South Africa s children

A Call to Action Goliath s Reckoning is more than a memoir it is a call to action for all those who have felt powerless against a biased system The author challenges readers to stand up for what is right using the power of personal agency and the guiding light of the Constitution to create a fair and just society

Why This Book Matters In a world where justice and equality are often compromised by well intentioned but flawed redress policies this book shines a light on the urgent need for reform The author argues that true equality before the law must be restored to protect the best interests of the child and ensure that every parent including fathers has the opportunity to play an active and nurturing role in their child s life

Who Should Read This Book Fathers and Parents Seeking to understand their rights and navigate the family court system Legal Professionals Interested in the impact of gender biases in family law Social Justice Advocates Committed to fighting all forms of state sanctioned discrimination Readers Who believe in the power of individual agency and the importance of equality before the law
