Excerpt from *The Egoist* A Comedy in Narrative Comedy is a game played to throw reflections upon social life and it deals with human nature in the drawing room of civilized men and women where we have no dust of the struggling outer world no mire no violent crashes to make the correctness of the representation convincing Credulity is not wooed through the impressionable senses nor have we recourse to the small circular glow of the watchmaker's eye to raise in bright relief minutest grains of evidence for the routing of incredulity The Comic Spirit conceives a definite situation for a number of characters and rejects all accessories in the exclusive pursuit of them and their speech For being a spirit he hunts the Spirit in men vision and ardour constitute his merit he has not a thought of persuading you to believe in him Follow and you will see But there is a question of the value of a run at his heels Now the world is possessed of a certain big book the biggest book on earth that might indeed be called the Book of Earth whose title is the Book of Egoism and it is a book full of the world's wisdom So full of it and of such dimensions is this book in which the generations have written ever since they took to writing that to be profitable to us the Book needs a powerful compression About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      ***The Egoist*** George Meredith, 2013-06

Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      *The Egoist* George Meredith, 1910      ***The Egoist; a Comedy in Narrative Volume 1*** George Meredith, 2013-09

Jenkiuson s notion of Lsetitia Dale She was a little older than Mrs Mountstuart and had known Willoughby s father whose marriage into the wealthiest branch of the Whitford family had been strictly sagacious Patterne s marry money they are not romantic people she said Miss Durham had money and she had health and beauty three mighty qualifications for a Patterne bride Her father Sir John Durham was a large landowner in the western division of the county a pompous gentleman the picture of a father in law for Willoughby The father of Miss Dale was a battered army surgeon from India tenant of one of Sir Willoughby s cottages bordering Patterne Park His girl was portionless and a poetess Her writing of the song in celebration of the young baronet s birthday was thought a clever venture bold as only your timid creatures can be bold She let the cat out of her bag of verse before the multitude she almost proposed to her hero in her rhymes She was pretty her eyelashes were long and dark her eyes dark blue and her soul was ready to shoot like a rocket out of them at a look from Willoughby And he looked he certainly looked though he did not dance with her once that night and danced repeatedly with Miss Durham He gave Lsetitia to Vernon Whitford for the final dance of the night and he may have looked at her so much in pity of an elegant girl allied to such a partner The Phoebus Apollo turned fasting friar had entirely forgotten his musical gifts **The Egoist** George Meredith,2013-11 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification The Egoist A Comedy In Narrative revised George Meredith C Scribner 1898 The Egoist George Meredith,1910 *The Egoist* George Meredith,1958 Reprint of the 1958 ed published by Houghton Mifflin Boston which was issued as no B27 of Riverside editions The Egoist : a Comedy in Narrative.
