**Bodycheck**, 2016-08-29 In ice hockey the term body check refers to a specific move to gain control It is a blow from body to body a dynamic clash of physical strength which will determine the course of the game In this book too the body is checked and there is physical confrontation Not in the hockey ring but on stage This book deals with the body in contemporary performing arts The focus is on exploring theoretical avenues and developing new concepts to grasp corporeal images more accurately This theoretical research is confronted with the voice of artists whose work explicitly deals with the body In depth interviews with a.o. Meg Stuart Wim Vandekeybus Romeo Castellucci Jerôme Bel reveal a very broad range of views on the representation of the body in today's performing arts The combination of these two voices the theoretician's and the artist's shows that research by artists and cultural scientists is perfectly complementary

doles out punishment to his bride the individual soul Through innovative case studies of Victorian religious poetry Amanda Paxton reveals that while the punitive model proved a convenient rhetorical tool with which to deflate burgeoning nineteenth century campaigns for women s rights and challenges to Church authority in the hands of several writers it also provided a means of resisting patriarchal institutions and interrogating distinctions between science and religion Willful Submission is the first full length volume to examine the interplay of sex suffering and religion as a touchstone in Victorian culture and verse

condition and to an alternative path      The Oppositional Imagination (RLE Feminist Theory) Joan Cocks,2012-11-27 The Oppositional Imagination draws together elements from Marxism analytical philosophy post structuralism and post colonial criticism to analyse the elusive interplay of culture and power It focuses its attention on cultural domination opposition and evasion in the realm of sex and gender Joan Cocks reflects on questions crucial to both political theorists and feminists the relationship between political theory and practical life the possibility of bringing together a philosophical and a literary language to comprehend and evoke concrete experience and the reconciliation of radical political commitment with an appreciation of shades of grey in the social world She explores the variety of ways in which power and eroticism intersect the liberating and tyrannical impulses of marginal cultures and the place of the loyalist the eccentric the critic the traitor and the rebel in the sexual struggle The Oppositional Imagination reaffirms the centrality of political theory and feminist practice while at the same time challenging certain of their key principles in thought provoking ways      *Maturation Through Marriage* Lowell Lueck,2015-09-16 At first look it seems logical Christian maturity and preparation for eternity would go hand in hand with marriage But when one delves deeper and takes a look at statistics it does not always work that way *Maturation through Marriage And the Enticement of Divorce* takes an honest look at author Lowell Luecks theological and spiritual reflection on the texture and contours of the fabric of his married life It does not shy away from honestly portraying his sins but balances those statements of shortcoming with equally powerful reminders of the consolation and guidance from the Scriptures Lueck found faulty applications or fundamental violations of Biblical principles by Christian spouses and the Christian church have allowed the tragic destruction of families Lack of adaptation to no fault divorce statutes frustration of trying to apply biblical principles to our twenty first century Western worldview of love dating and marriage and the unwillingness of the church to uphold Godly encouragement and accountability are some of the issues Lueck addresses As a Christian marriage and family therapist with two failed marriages he writes from an insiders perspective and with a willingness to share his shame of these experiences and also his deliverance from the false guilt that he had carried Written in an easy to understand manner *Maturation through Marriage And the Enticement of Divorce* is not just theory Based upon the authors firsthand experience this book can help you deal with the same or similar issues      The Colonisation and Settlement of Taiwan, 1684-1945 Ruiping Ye,2018-09-03 The dispossession of indigenous peoples by conquest regimes remains a pressing issue This book unlike most other books on the subject contrasts two different colonial administrations first the Chinese Qing Empire then from 1895 the Japanese It shows how under the Chinese legal system the Qing employed the Chinese legal system to manage the relationship between the increasing numbers of Han Chinese settlers and the indigenous peoples and how although the Qing regime refrained from taking actions to transform aboriginal land tenure nevertheless Chinese settlers were able to manipulate aboriginal land tenure to their advantage It goes on to examine the very different approach of the Japanese colonial administration which following the Meiji Restoration of 1868 had begun to

adopt a Western legal framework demonstrating how this was intentionally much more intrusive and how the Japanese modernized legal framework significantly disrupted aboriginal land tenure Based on extensive original research the book provides important insights into colonisation different legal traditions and the impact of colonial settlement on indigenous peoples *Headmaster* Tara Sue Me,2018-01-16 The New York Times bestselling author of the Submissive novels delivers a scintillating new erotic romance where two instructors redefine the phrase teacher s pet Lennox MacLure owner of the RACK Academy has sworn off the Dominant submissive lifestyle Years ago his submissive Winnie died in a car accident following a heated argument for which he blames himself Guilt ridden and emotionally closed off Lennox sees the academy as both his punishment and penance for her death Mariela a dance instructor and a natural submissive was Winnie s best friend and longs to help Lennox move past his grief She s accepted that he will never see her as anything more than a friend but she still wants to help him acknowledge what he needs Mariela comes up with a plan of seduction guaranteed to unleash the Dominant he s willfully buried but the passion they unleash could prove to be stronger than they are ready to handle The Standard Pronouncing Dictionary of the French and English Languages, According to the French Academy, Etc Gabriel SURENNE,1840 **The Bright Side of Shame** Claude-Hélène Mayer,Elisabeth Vanderheiden,2019-04-25 This book provides new ideas on how to work with and constructively transform shame on a theoretical and practical level and in various socio cultural contexts and professions It provides practical guidelines on dealing with shame on the basis of reflection counselling models exercises simulations specific psychotherapeutic approaches and auto didactical learning material so as to transform shame from a negatively experienced emotion into a mental health resource The book challenges theorists to adopt an interdisciplinary stance and to think outside the box Further it provides practitioners such as coaches counsellors therapists trainers and medical personnel with practical tools for transforming negative experiences and emotions In brief the book shows practitioners how to unlock the growth potential of individuals teams and organisations allowing them to develop constructively and positively **Pronouncing Dictionary of the French and English Languages ...** Gabriel Surenne,1840 Ancient Joe Jeney,2018-06-04 On the planet with the old twin Suns Samarium whose inhabitants have long forgotten their planetary origins and who remain cut off from other colonized planets humankind faces its twilight years with genetic mutation impeding evolution rather than refreshing it One boy Anchie Rantree carries a rare genetic code that has the potential to rejuvenate the gene pool and pull it back from the brink of viral suffocation But he does not care to save the human race or himself not until he meets the deeply flawed famously successful and painfully beautiful literary celebrity Krisiana who has succumbed to deathly viral infection **Supreme Court Appellate Division Third Dept.
