that issued in Uthm n s death was coming to a head the wars against Byzantium and Persia continued The first expeditions into North Africa the conquest of Cyprus the momentary destruction of the Byzantine fleet at the Battle of the Masts the bloody campaigns in Armenia the Caucasus and Khurasan are all here in narratives that shift constantly between hard reporting and pious legend Muslim forces retain the offensive but there are no more easy victories henceforth suffering and endurance will be the hallmarks of the hero Most evocative in the light of Uthm n s fate is the moving account of the murder of the last S s nian king Yazdagird III a man betrayed by his nobles and subjects but most of all by his own character
