[Kenwood: The Ultimate Guide To Kitchen Tech](#) Diana O'Carroll, 2022-11-11

Established in the 1940s to produce and sell domestic labour saving devices Kenwood has survived and evolved to become a British icon. It is high time someone recorded almost everything they ever made and put a date to it so that future generations can make sense of what was happening in U K kitchens in business in industrial design and in manufacturing. The first item off the production line the Turnover Toaster was made by Roger Laurence and Kenneth Wood in 1947 and over a hundred separate domestic objects would follow over the next thirty years. Inside this book you will find full colour photographs descriptions and original retail prices of these mixers accessories and appliances right up to the model A901 Chef first launched in 1976.
