The Descendants Box Set Jade Alters,2019-05-17 The Descendants Complete Collection contains the following standalone titles Shared by the Four Four magical protectors should be enough for any gal right I m just an ordinary college girl majoring in art history but there s this one guy in a few of my classes that just won t leave me alone You know the kind of guy that won t take no for an answer Fortunately I ve just met four mysterious brothers at an art gallery that might be the magical answer to my problems They re all strong gorgeous rich and gifted in their own ways and in love with me I couldn t possibly choose and luckily they don t want me to Trouble is my stalker s not very ordinary himself My

four magical lovers might not be enough to protect me and I can't stand the thought of losing even one of them knowing it would be my fault. Desired by Four Falling in love isn't supposed to be literal. Except if you're a witch who's cast a soulmate spell. Turns out love magic isn't the kind you dabble with. First there's Dixon with his sweet midwestern twang. Then there's action hero hot Mateo who literally swooped in and saved my life plus his three insanely handsome brothers. The universe definitely heard my call and it's raining men alright. Turns out controlling the magnetic attraction is where it gets tricky especially if you happened to call upon a magical being intent on killing you and stealing your power. Whoops. Fortunately I've got four hot shifter protectors because I'm gonna need 'em. Fate of Three A ruthless collector of dark magical artifacts. Three jaguar shifters intent on taking him down and they're asking me to be some kind of undercover spy. Saying yes seems like the most dangerous decision I could possibly make. But that's nothing compared to falling in love with all three of them. They've promised me their protection and I've rolled the dice. I'm trusting all three with my love and my life. The Descendants is a page turning paranormal reverse harem collection with explicit scenes and is meant for readers 18. Publisher's note. Shared by Four and Desired by Four are reverse harem romances which involves brothers which may be off putting to some readers. If this is the case please check out Jade's other reverse harem stories or her bear shifter fated mates series. Special Bear Protectors <https://www.amazon.com/gp/product/B086V658TC> Review Highlights for The Descendants I enjoyed each and every story. So hot and titillating each one I loved that these shifters found their fated mates and how they found them I would highly recommend these books to 18. Every once in awhile you come upon a story that pulls at you and you enjoy the heck out of it. This in my case is such a story I cannot recommend this too highly. It is a hoot I've read each of these incredible stories as individual books but I would have LOVED to get them all in ONE SET. Overall a DON'T MISS set of books for total enjoyment.
