**Medieval Feast** William Edward Mead, 2019-07-08 Originally published in 1931 *The English Medieval Feast* examines the act of feasting and food during the medieval period The book provides a scholarly look at the human detail involved in the variety of medieval manners and customs which make up the medieval feast The book introduces the scene of the feast and its service providing explanations of the food drink and preparation that comprised the act of the medieval feast The book also describes in full certain and notable feasts of the period The book also includes some historical examination of medieval dietetics which will be of interest to the modern reader **Various Sermons** Bernard of Clairvaux, 2020-04-15 This last small group of Bernard's sermons to be published in translation by Cistercian Publications rightly goes by the title *De variis* in the critical edition While most of them treat feasts on the church calendar they do so in a somewhat hit or miss fashion Three sermons also deal with God's will God's mercies and the gifts of the Holy Spirit Two sermons for the feast of Saint Victor are a response to a request to Bernard from the monks of Montierneuve the Bollandist *Life of Saint Victor* appears here as a complement to those sermons Besides the nine sermons normally assigned to the *De variis* this volume also includes a sermon on the feast of Saint Benedict that was recently added to the collection in *Sources Chrétiennes* The survival of this loose assemblage of sermons outside of the organized collections of Bernard's sermons provides a reminder of Bernard as preacher and writer able despite all his other activities to turn his hand to preaching when called upon While they treat of disparate themes they allow us to encounter the quintessential Bernard speaking of the life of desire the true meaning of holiness and the awakening of the spiritual senses in the search for God *The Worst Leaven in the Feast of Unleavened Bread* Dan L. White, 2023-02-28 The Bible Feasts are making a modern resurgence After Rome replaced them with Roman holy days God's holy days were largely ignored for nearly two millennia In this latter part of the age of man many are again looking at the Bible festivals for God's lessons for humanity After all Christ was born at the seventh month Feast time He was sacrificed at Passover He was accepted as the Wave Sheaf offering during Unleavened Bread and He began His flock at Pentecost That

seems pretty important Most of the attention though has been on the Feasts of the seventh month Trumpets Atonement and Tabernacles The tendency has been to elevate Tabernacles Succoth and relegate Unleavened Bread Actually the Bible gives more attention to the spring Feast of Passover and Unleavened Bread The Worst Leaven in the Feast of Unleavened Bread walks through seven of these Feasts in the Bible Those Feast times were incredible times of spiritual elevation unforgettable high points in those people s lives with unforgettable lessons for us Not a time to be slighted What do you think
