POEMS by Wilfred Owen - 23 of WWI's best poems Wilfred Owen,2018-10-06 Wilfred Edward Salter Owen MC 18 March 1893 4 November 1918 was an English poet and soldier is considered to be one of the greatest poets of WWI His war poetry on the horrors of trenches and gas warfare was heavily influenced by his mentor Siegfried Sassoon and stood in stark contrast both to the public perception of war at the time and to the confidently patriotic verse written by earlier war poets such as Rupert Brooke Herein you will 23 find such poems like Anthem for Doomed Youth Dulce et Decorum est Spring Offensive Futility and others that lament the passing of so many in such dire circumstances Anthem for Doomed Youth is one of the most perfectly structured of Owen s poems It convinced Sassoon in October 1917 that Owen was not only a promising minor poet but a poet with classic and imaginative serenity who possessed impressive affinities with Keats Owen was killed in action on 4 November 1918 during the crossing of the Sambre Oise Canal exactly one week almost to the hour before the signing of the Armistice which ended the war and was promoted to the rank of Lieutenant the day after his death His mother received the telegram informing her of his death on Armistice Day 11 Nov as the church bells were ringing out in celebration

RAEMAEEKERS SATIRICAL CARTOONS OF THE GREAT WAR Louis Raemaekers, 2017-06-15 Throughout history cartoons can have had a powerful psychological emotional and political impact One hundred years before WWI Napoleon is reported to have said that the English caricaturist James Gillray did more than all the armies in Europe to bring me down During World War I no cartoonist exercised more influence than Louis Raemaekers of Holland Charged with endangering Dutch neutrality his cartoons led the German Government to offer a 12 000 guilder reward for his capture dead or alive A German newspaper summarizing the terms of peace Germany would exact after it won the war declared that Indemnity would be demanded for every one of Raemaekers cartoons Raemaekers cartoons were also instrumental in fighting against deeply entrenched American isolationism When in 1917 the United States entered the war Raemaekers embarked on a lecture tour of the USA and Canada rallying the new allies for support and arguing the case for mobilisation against the German Empire

The Christian Science Monitor commented From the outset his works revealed something more than the humorous or ironical power of the caricaturist they showed that behind the mere pictorial comment on the war was a man who thought and wrought with deep and uncompromising conviction as to right and wrong All too often art critics art historians aestheticians and others have dismissed cartoons and caricatures as silly not serious trivial and irrelevant Yet as you will see with the cartoons in this first volume here are cartoons and caricatures that in retrospect possibly had more effect on the German High Command and German populace than possibly a new Allied offensive giving weight to the adage The Pen is Mightier than the Sword if only pen and paper could have been used to greater effect in this the Great War
