Iran-Contra Lawrence E. Walsh, 1994 **Grand Delusion** Steven Simon, 2023-04-11 A comprehensive even magisterial review This is strong stuff but Simon does not flinch Foreign Affairs A longtime American foreign policy insider s penetrating and definitive reckoning with this country s involvement in the Middle East The culmination of almost forty years at the highest levels of policymaking and scholarship Grand Delusion is Steven Simon s tour de force offering a comprehensive and deeply informed account of U S engagement in the Middle East Simon begins with the Reagan administration when American perception of the region shifted from a cluster

of faraway and frequently skirmishing nations to a shining urgent opportunity for America to in Reagan's words serve the cause of world peace and the future of mankind Reagan fired the starting gun on decades of deepening American involvement but as the global economy grew bringing an increasing reliance on oil U S diplomatic and military energies were ever more fatefully absorbed by the Middle East Grand Delusion explores the motivations strategies and shortcomings of each presidential administration from Reagan to today exposing a web of intertwined events from the history of the Israel Palestine conflict amid Israeli domestic politics Cold War rivalries and Saudi Arabia's quest for security to 9 11 and the war on terror managed by a Washington policy process frequently ruled by wishful thinking and partisan politics Simon's sharp sense of irony and incisive writing brings complex history to life He illuminates the motives behind America's commitment to Israel explodes the popular narrative of Desert Storm as a good war and calls out the devastating consequences of our mistakes particularly for people of the region trapped by the onslaught of American military action and pitiless economic sanctions Grand Delusion reveals that this story while episodically impressive has too often been tragic and at times dishonorable As we enter a new era in foreign policy this is an essential book a cautionary history that illuminates American's propensity for self deception and misadventure at a moment when the nation is redefining its engagement with a world in crisis *Timecaster* Joe Kimball,2011-05-31 Chicago 2064 Talon Avalon is a timecaster one of a select few peace officers who can operate a TEV the Tachyon Emission Visualizer which records events most specifically crimes that have already happened With crime at an all time low Talon has little to do except give lectures to school kids and obsess on his wife's profession as a licensed sex partner Until one of her clients asks Talon to investigate a possible murder When Talon uses the TEV to view the crime the identity of the killer is unmistakable it's him Talon Avalon *Neptune's Brood* Charles
