The Forgotten Trinity:

The Forgotten Trinity James R. White, 2019-11-05 While many of us struggle to understand it the Trinity is one of the most important teachings of the Christian faith It defines God's very essence and describes how he relates to us And while it can be a difficult concept to get our heads around it is crucial for believers to understand how God explains his triune nature in his Word In this book James R White offers a concise understandable explanation of what the Trinity is and why it matters While refuting the distortions of God presented by various cults Dr White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian And amid today's emphasis on the renewing work of the Holy Spirit The Forgotten Trinity is a balanced look at all three persons of the Trinity May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself *The Forgotten Trinity* The British Council of Churches, 1989 **The Forgotten Trinity** Alasdair I. C. Heron, British Council of Churches. Study Commission on Trinitarian Doctrine Today, 1989 *The Forgotten Trinity: Study guide*, 1989 **The Forgotten Trinity: Selection of papers**, 1989 *The Forgotten Trinity* British Council of Churches, Study Commission on Trinitarian Doctrine Today Staff, BCC Study Commission on Trinitarian Doctrine Today, 2011 **The Promise of Trinitarian Theology** Colin E. Gunton, 2003-10-06 A reissue of a brilliant and accessible introduction to Trinitarian thought Colin Gunton argues that the theology of the Trinity has profound implications for all dimensions of human life Central to his work is his argument that the doctrine should offer ways of articulating the being of God and of the world so that we may be better able to live before God and with each other **God as Communion** Patricia Fox, 2001 God As Communion explores ancient and new meanings of the symbol of God as Trinity and brings the Christian traditions of West and East into dialogue Through an exploration of the works of two contemporary theologians Fox retrieves this central Christian symbol and uncovers its transforming power for the Church and world today *The Forgotten Trinity* Alasdair I. C. Heron, 1991 *The Forgotten Trinity. 1. The report of the BCC Study Commission on Trinitarian Doctrine Today* British Council of Churches. Study Commission on Trinitarian Doctrine Today, **Colin Gunton's Trinitarian Theology of Culture** Andrew Picard, 2024-06-27 Whilst upholding some of the criticisms of Colin Gunton's work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works *The One the Three and the Many* and *The Promise of Trinitarian Theology* 1st ed are definitive of his project and fail to engage adequately with the progressions in Gunton's later thought Instead this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation Andrew Picard argues that Gunton's trinitarian theology of culture emerges from his later trinitarian theology of mediation creation Christology pneumatology and ecclesiology Exploring these doctrinal foci enables an understanding of Gunton's account of faithful human culture as embodied worship a living sacrifice of praise which contributes to the divine redemption and perfection of creation It is the church's particular calling to embody such praise

through its visible life in community The study concludes by intersecting Gunton s theology with the social sciences to critique ableism and consider the politics of the church s belonging in community

The Other Hand of God Kilian McDonnell,2017-02-28 If the Spirit is not equal to the Father and the Son can the Trinity survive Is the role of the Spirit in salvation as important as that of the Son Why was the divinity of the Spirit problematic in the early Church If the Son Jesus Christ is the way the truth and the life what role does the Spirit have in God s reaching out to touch the Church and the world Is there any contact with any experience of God apart from the Spirit In what sense is the Spirit the goal of the Christian life The Other Hand of God addresses these theological queries Chapters are To Do Pneumatology is to Do Trinity

Modern Trinitarian Perspectives John Thompson,1994-09-15 One of the more important developments in the field of theology in the past two decades has been a gradual but genuine revival of interest in the doctrine of the Trinity This fundamental Christian doctrine had been neglected by theologians who saw it as isolated from practical Christian faith and life Recently however feminist and liberationist as well as more traditional Catholic and Protestant theologians have come to see the Trinity not as an abstract doctrine but instead as dealing with the living and dynamic being and acts of God and closely related to Jesus Christ and the resurrection as the mystery of salvation This insight has in many ways become one of the central themes of contemporary theology In this study Irish Presbyterian theologian John Thompson provides a survey of the wide variety of modern thought on this important theme examining the work of figures like Karl Barth Karl Rahner Wolfhart Pannenberg and Jurgen Moltmann and their views on such issues as the relationship of the trinitarian doctrine to Scripture the Church philosophy politics and society

Recent Developments in Trinitarian Theology Christophe Chalamet,Marc Vial,2014 English language theology plays an important role in the renewal of Trinitarian theology This book explores the major renaissance that Trinitarian theology has undergone in recent decades
