J. Jeep, 2009-06 Calling All Fighters With suffering such a present and pervasive reality of our world it is easy to understand why so many struggle to embrace the prospect of victorious living Since time immemorial pain has pressed into every fold of society s fabric leaving its distinct mark on people of every nation tribe and tongue For most they find it difficult to reconcile these scars of sorrow with a loving God As a result some will prematurely dismiss their Creator with angry censure while others mistakenly concede that their wounds are merely signs of personal defeat Yet there is a better way a more perfect way the only right way to view our adversity To see ourselves as victorious requires that we see humanity s great battle with affliction through the eyes of the Victor Jesus Christ We must step into the cosmic arena and learn to fight like God's chosen Gladiator When we identify with the Suffering Servant we discover a power unlike any other Moreover as we learn the feel of His gloves memorize the syncopation of His steps and begin to understand the wisdom of His wounds our knowledge about suffering is radically transformed and we are able to stand alongside the Undisputed Champion of all time with the assurance that we too are undefeated This book is a training manual for the good fight of faith Step into these pages and find an honest appraisal of Scripture's teaching about suffering and dare to discover your Redeemer's purpose behind every pain and your potential triumph in every tear Please hurry to your seat The first bell is about to sound On Fly-Fishing the Wind River Range Chadd VanZanten, 2018-11-12 With remote waterways and unpressured trout Wyoming's Wind River Range is the backcountry fly angler's mecca In the alpine lakes and streams trout may approach a dry fly two or more at a time and an angler can cast for days without seeing another person let alone another angler But more than just a place to catch lots of fish the range is also a place to disconnect from noise and networks and reconnect with oneself In a series of essays on misfortunate father and son backpacking trips disaffected Boy Scouts psychotropic deep woods epiphanies and many other topics author Chadd VanZanten offers not only a survey of the fishing and history of the Wind Rivers but a tour of personal landscapes as well On Fly-Fishing the **Northern Rockies:** Chadd VanZanten & Russ Beck, 2015 Anyone would be hard pressed to find a pastime more emblematic
