The End of the Fantasy (Book #6 of the Sage Saga) Julius St. Clair, 2016-06-12 There is no escaping it Bastion's destiny is nigh After the events of The Legendary Warrior Bastion now knows that no matter how hard he tries to fight against fate he must face it As the Yama invasion begins unlikely alliances are forged bloody battles are waged and the true intentions of the invincible Yama are revealed Catherine and her group of Sages seek solutions while desperately seeking refuge The three Kingdoms each try their hand at defeating their newfound enemy and lying behind it all is Bastion knowing that whatever choices he makes it will change the entire world As one of the most powerful warriors on the planet he must act and soon Or else grave and life altering decisions will be made for him In a world of supernatural warriors and exotic cultures heroes and villains friendships and betrayals kings and queens and war and romance the Sage Saga continues to weave a coming of age tale that is both epic and grand in scope Praise for the Sage Saga Best book filled with action love and just everything Best book I have ever read it's amazing Book Reviewer on Hail to the Queen Book 3 of the Sage Saga I found myself hooked Amazon Reviewer I couldn't put it down Lots of adventure and heartbreak I loved the depth that the author takes you too in falling in love with the main characters Amazon Reviewer on The Dark Kingdom Book 2 of the Sage Saga A warning it is a trap Once you start you can't put it down I had to read it start to finish and immediately get the rest of the series Amazon Reviewer Witchfall (Year 1 - Book 2) - The Harvest J Clair, 2018-10-24 In the distant future humans are an endangered species and witches are royalty Worshipped and revered children and adults alike hone their spells and witchcraft for the approval of the royal family while the remaining powerless humans seek deliverance from the hunt The world now holds its breath for the Harvest has come when the royal family steps out of the shadows to handpick potential heirs to the throne These individuals are given the highest education on the planet taught magic that can move nations and ultimately those that survive will become the new kings and queens of the free world Madeline Chase has survived so far but in the land of witches no victory comes without a price The Ostara Coven has acknowledged her but with recognition comes suspicion Friendships are soon tested loyalties are fractured and with enemies surrounding her it will take a miracle to come out of the battlefield unscathed This novel contains a line of brief strong language **Recording for the Blind & Dyslexic, ...
