The Forgotten Sister A Sequel To Pride And Prejudice:

The Forgotten Sister: A Sequel to Pride and Prejudice Louise Hathaway, 2015-01-11 In The Forgotten Sister the drawing rooms of the Regency era are opened for us to view the world where Jane Austen left off when she wrote Pride and Prejudice This novel is about Mary Bennet the plain middle daughter as she compares herself to her beautiful sisters tries to get her father to notice her falls in love becomes a writer and ultimately a champion for those less fortunate Told in her revealing diary entries we see Mary develop from a petulant teenager to a woman who learns that there is a wider world outside of the confines of Pemberley and the Bennet family What makes The Forgotten Sister different from other books written about Pride and Prejudice is its depiction of the social history in Britain during the nineteenth century as seen through Mary s eyes

Marriage in Pride and Prejudice: A Literary Essay Louise Hathaway, I wrote this literary essay in graduate school the semester before I received my Masters Degree in English Literature It is about marriage expectations in the Regency period as expressed in Jane Austen's Pride and Prejudice It explores the different relationships between the sexes in the novel and what the options were for women who were not yet married during this period It is accompanied by photographs taken by my husband when we made a Jane Austen pilgrimage to her homes in Winchester and Chawton England Hopefully fans of Jane Austen won t find it too full of bibliographic information and may look at it as an interesting example of the kind of writing that Masters Degree students must submit Hopefully my readers will learn some new things about Jane that they didn t already know The Ghost in the Plantation: A Nancy Keene Mystery Louise Hathaway, 2014-03-30 Do you like Nancy Drew Do you like New Orleans If so you will enjoy this humorous and PG rated story that especially targets women baby boomers who grew up reading and loving the Nancy Drew series The teenage sleuth in this story goes on vacation with her father and friends to the French Quarter What starts out as a sight seeing trip changes into a murder mystery when a docent at Oak Alley Plantation is murdered Part travelogue part ghost story this book mixes voodoo ghosts and bayous into a spicy gumbo of a whodunit Here's what reviewers are saying about this book She follows the clues and the mystery is solved in a satisfying way Having recently visited New Orleans I was intrigued by the description of the city especially the French Quarter I found the mystery interesting but also enjoyed reading of the sites in New Orleans Fifty Shades of Dead: A New Orleans Mystery Louise Hathaway, 1900 Three young librarians get together for a girl s night out at the movies to see Fifty Shades of Grey where they meet a handsome stranger who bears a striking resemblance to the film's main character He invites them to dinner but only one goes with him a vulnerable blonde who has just been served divorce papers A few days later her body is found behind an abandoned house in the 9th ward Was he the one who killed her That's what New Orleans homicide detective Yvonne Dauphin must find out in this gripping murder mystery 5 Star Review Great Read I enjoy detective books This one was extra special Drama Action Adventure And a little Mystery and Romance all in one Love Revealed Louise Hathaway, 2023-10-08 Here's a friends to lovers romance novel told by a handsome 25 year old college student who
