Destiny of the Roses Stephenie Sloan Soester, 2025-05-06 Stephenie was drawn to write a book on the many synchronicities she experienced all pointing to the existence of a world far beyond us Chance Happenings of a Lifetime The extraordinary synchronicities continued until she wrote Destiny of the Roses Hearing the sky referred to as God's canvas she was shocked to witness his artwork firsthand Stephenie captured and shared a cloud vision with everyone she met Their reactions were

Gosh you can even see her face or Yes that is definitely a crown Wow Some were moved to tears Perfectly placed in the sky was a vision in a cloud formation a vision of our Mother Mary holding baby Jesus It is not one but four separate photos Not only was there this vision but others as well on the same evening A heart a star and more which turned out to tell a very big story revealed inside Previous discoveries revealed that mental telepathy is a very real phenomenon It became evident through these books that telekinesis and destiny truly exist When you label a section of your book And Then the Saints Came Marching In and the next television show you watch has a scene where they ask for Aw come on just one more song and that song is When the Saints Go Marching In Then you ask your friend an artist to help draw comparison pictures and she tells you her school alma mater was When the Saints go marching in You are then faced with the knowledge that these are all more than mere coincidences In the first book she revealed how unbeknownst to her the names she had given her children were a message The spouses they chose added to the message and here she realizes that her youngest daughter now dates a boy whose name added Grant and Grail to the message We chart the stars into constellations that form pictures and tell stories It was revealed in Chance Happenings of a Lifetime that God does the same with the names and locations on earth First he revealed an infinity map which told the story of his Son Jesus s life Get ready for this new sword of the Spirit map which tells us a whole new story of his Son his life and his return These are true accounts of synchronicity and chance happenings stranger and more mysterious than any fiction
