Save The Date English Edition:

Save the Date Jen Doll, 2015-05-05 An engaging and disarmingly honest People examination of the search for love and the meaning of marriage in a time of anxiety independence and indecision Weddings They re fun festive and joyful and at a time when people marry later in life and sometimes not at all they offer endless opportunities to reexamine love and what we want for ourselves regardless of whether or not our aim is a walk down the aisle In Save the Date Jen Doll charts the course of her own perennial wedding guesthood from the ceremony of distant family members when she was eight to the recent nuptials of a new boyfriend s friends There s the first trip home for a childhood pal s big day in which she learns that her first love has eloped to Hawaii There s the destination wedding attended with little baggage beyond a suitcase of strappy sandals and summery party dresses Regrettably there is a series of celebrations that mean the end to a valued friendship There s also the wedding that offers all the promise of new love Wedding experiences come in as varied an assortment as the gowns at any bridal shop and Doll turns a keen eye to each delivering a heartfelt exploration of contemporary relationships Funny honest and affecting Save the Date is a fresh and spirited look at the many ways in which we connect to one another Network
