Designing Your Own Classical Curriculum Laura M. Berquist, 2010-09-20 Home educator Laura Berquist presents a modern curriculum based on the time tested philosophy of the classical Trivium grammar logic and rhetoric She has given homeschoolers a valuable tool for putting together a liberal arts curriculum that feeds the soul as well as the intellect Her approach covering grades K 12 is detailed and practical and it is adaptable by parents and teachers to any situation This third revised edition includes a much expanded section for a high school curriculum and an updated list of resources for all grades *The Well-Trained Mind* Susan Wise Bauer, Jessie Wise, 2016-08-09 Is your child getting lost in the system becoming bored losing his or her natural eagerness to learn If so it may be time to take charge of your child s education by doing it yourself The Well Trained Mind will instruct you step by step on how to give your child an academically rigorous comprehensive education from preschool through high school one that will train him or her to read to think to understand to be well rounded and curious about learning Veteran home educators Susan Wise Bauer and Jessie Wise outline the classical pattern of education called the trivium which organizes learning around the maturing capacity of the child s mind and comprises three stages the elementary school grammar stage when the building blocks of information are absorbed through memorization and rules the middle school logic stage in which the student begins to think more analytically and the high school rhetoric stage where the student learns to write and speak with force and originality Using this theory as your model you ll be able to instruct your child whether full time or as a supplement to classroom education in all levels of reading writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own aptitude in those subjects Thousands of parents and teachers have already used the detailed book lists and methods described in The Well Trained Mind to create a truly superior education for the children in their care This extensively revised fourth edition contains

completely updated curricula and book lists links to an entirely new set of online resources new material on teaching children with learning challenges cutting edge math and sciences recommendations answers to common questions about home education and advice on practical matters such as standardized testing working with your local school board designing a high school program preparing transcripts and applying to colleges You do have control over what and how your child learns The Well Trained Mind will give you the tools you ll need to teach your child with confidence and success **The**

Homeschooling Handbook Mary Griffith,2010-02-24 Don t Even Think About Teaching Your Child at Home Until You Read This Book Discover why millions of parents are homeschooling their children In this revised edition of her groundbreaking book Mary Griffith tells you everything you need to know about the fastest growing educational movement in the country including When why and how to homeschool Detailed learning ideas for the primary middle and teen years How to navigate the local regulations Strategies to avoid burnout and strengthen family relationships Resources in the community and the homeschooling network And more Whether you re one of the nearly one million families in the country already homeschooling planning to take the plunge or just testing the water this hands on book will help The Homeschooling Handbook is a valuable resource for anyone intersted in nurturing their child Whether you homeschool or not you will find many fresh ideas for working with children in these pages Patrick Farenga publisher Growing Without Schooling If you re looking for practical commonsense advice about homeschooling if you re looking for answers to the really tough questions from someone with real insights to the movement if you re looking for sensible commentary backed up by experience and saavy Mary Griffith s The Homeschooling Handbook is just what you re looking for Helen Hegener editor Home Education Magazine **Homeschooling: The Early Years** Linda Dobson,2012-01-11 Discover the Rewards of Homeschooling Your

Young Child Young children are full of curiosity imagination and a sense of wonder They re willing to try new things and possess a natural joy of discovery Yet in a traditional school these natural behavior traits are too often squelched That s why more and more parents just like you are choosing to teach their children at home during these critical years the years that lay the foundation for developing learning skills that last a lifetime Inside respected homeschooling author Linda Dobson shows you how homeschooling can work for you and your young child You ll discover how to Tailor homeschooling to fit your family s unique needs Know when your child is ready to learn to read Teach your child arithmetic without fear even if you re math challenged Give your child unlimited learning on a limited budget And much more Brings dazzling clarity to the otherwise nerve wracking confusion of early learning and the adventure of becoming fully human Highly recommended John Taylor Gatto former New York State Teacher of the Year and author of Dumbing Us Down Provides a much needed introduction to living and learning with young children Open the book to any page and you ll find inspiring anecdotes and approaches to learning that leave the reader thinking That just makes so much sense Highly recommended for anyone who lives works or plays with young children Helen Hegener managing editor of Home Education Magazine An information

packed delight I only wish it had been around when our three boys were three to eight years old Rebecca Rupp author of The Complete Home Learning Sourcebook This book brings together the experience and wisdom of a great variety of homeschooling families tied together with warm encouragement and wonderful simplification of processes that can seem so mysterious and daunting to the beginner A very solid resource Lillian Jones homeschooling activist writer and reviewer

Designing Your Own Classical Curriculum Laura M. Berquist, 2010-09-20 Home educator Laura Berquist presents a modern curriculum based on the time tested philosophy of the classical Trivium grammar logic and rhetoric She has given homeschoolers a valuable tool for putting together a liberal arts curriculum that feeds the soul as well as the intellect Her approach covering grades K 12 is detailed and practical and it is adaptable by parents and teachers to any situation This third revised edition includes a much expanded section for a high school curriculum and an updated list of resources for all grades
