In Hindsight, What Really Happened: The Revised Edition Rielle Hunter,2013-10-15 Dear readers When I wrote *What Really Happened* I was still very raw from the firestorm that my life had become due to my unwise decision to have an affair with John Edwards a married man I realize now what I have never admitted before I behaved badly That may strike you as obvious but it s taken me a long time to admit

this even to myself I was attacked so often and so viciously that I felt that I was the victim I felt hurt and betrayed and somehow that justified my actions But of course all of the attacks and all of the betrayal were beside the point The point is I behaved badly And the release of What Really Happened didn't help When I look back at this book that I wrote I want to throw it out and start again But instead of attempting to erase my mistakes I am now owning them I've annotated the original book Typos have been corrected but not a word has been changed not even words that cause me to cringe when I reread them Instead I have put notes throughout notes that acknowledge what I couldn't when I wrote the book Best Rielle
