gospels are there that a person can believe safely place their trust in and rightly consider themselves saved of God Five Ten Twenty Or perhaps hundreds Just how many gospels are there that God will lead a person to believe ie grant the gift of faith to believe How many gospels are there to which God signs His name and calls My power unto salvation These are questions that strike right at the heart of the whole issue of doctrine of what the true Gospel is and who it is that can rightly judge themselves saved It is important to realise at the outset that what a person believes about Jesus provides an immediate indication of which Jesus they believe in and therefore which gospel they hold to The Philosophy of J. L. Austin Martin Gustafsson,Richard Sørli,2011-12-01 These new essays on J L Austin s philosophy constitute the first major study of his thought in decades Eight leading philosophers join together to present a fresh evaluation of his distinctive work showing how

it can be brought to bear on issues at the top of today's philosophical agenda such as scepticism and contextualism the epistemology of testimony the generality of the conceptual and the viability of the semantics pragmatics distinction The contributors offer in depth interpretations of Austin's views and demonstrate why his work deserves a more central place in mainstream philosophical discussion than it currently has The volume also contains a substantial introduction that situates Austin's thought in its original intellectual milieu and provides an overview of the many different ways in which his ideas have influenced later developments in philosophy and elsewhere
