Life is about relationships It s time to transform yours **Finding God's Life for My Will** Mike Donehey,2019-08-06 ECPA
BESTSELLER The lead singer songwriter and guitarist for award winning contemporary Christian band Tenth Avenue North
shows readers that by seeking God first and focusing on serving Him we can live daily in His will Perhaps God isn t giving me
the plan because He wants to be the plan This was the aha moment for Mike Donehey after years of wrestling with his
obsession to know God s specific plans for his life He came to the realization that waiting for absolute certainty from God
before making decisions may seem uberspiritual but it can lead to a life of intense stress paralyzing fear and crushing regret
just the opposite of the freedom granted to those living a Christ filled life This is my story how I gave up begging to know God
s will and began to ask His life to come and change my will With his signature humor and relentless hunger for God Mike will
show you that discovering the Father s purpose and plan for our lives is not the shell game that we all too often make it out
to be If you re unsure what to do next take heart and accept the ultimate invitation learn to see God as the plan not simply
the formula to the plan The Unplugged Hours Hannah Brencher,2024-09-17 TED Talks speaker and mental health

them **Belonging** Sharon A. Hersh, 2020-08-04 Belonging offers a fresh perspective on common grace leading us out of self destructive narcissism and into whole and healthy relationships with God and others The reality is God created us with an innate desire to belong to something more than us When we integrate our story within God s first story about us we can bravely face ourselves and discover the truth of belonging and worthiness that God has written And we start to imagine how to invite others into a greater sense of belonging The journey to finding ourselves and one another is not for the faint of heart It s messy It s hard work It s worth it We can have a front row seat to a tectonic shift not just on the surface of our lives but in places deep down inside as we recognize common grace in the beautiful and terrible parts of our lives In other words every chapter in our stories every conversation and every character is part of the way back to belonging You are invited to the very edge of your seat to anticipate what could happen in you and others if you engage with the unexpected grace that passionately declares life is not all about our pain our accomplishments our rights our abuse our power or our beliefs It is about us finding our way Together It is about a supernatural interconnectedness to a deeper story that invades every nook and cranny of our lives with light and love because we belong to one another *The Soul of a Hero* Stephen
