## **Saviours Of Oestend:**

**Saviours of Oestend** Marie Sexton, 2020-08-30 Life on the prairie has never been easy but now Oestend itself seems bent on destruction Banished from the BarChi by the man he loves Dante Pane must find a way to heal his broken heart while homesteading a new ranch Unable to love women afraid to love men Dante wants only to find some peace But peace is hard to come by in Oestend Ranch hands Simon and Frances came to Dante s ranch to help him rebuild but they re beginning to think the place is cursed Every building reeks of death and strange occurrences plague the land dead animals unnatural weather and voices riding wind The men hate to return to the BarChi in defeat but it s the only place unaffected by whatever sickness has taken hold of the prairie While Simon struggles with the ghosts of his past and the nature of his partnership with Frances Dante must convince Deacon and Aren to trust him again because there s more at stake than his ranch Oestend is in trouble and it will take all of them working together to set things right With the help of his faithful ranch hands Frances and Simon and the combined strength of friends both old and new Dante will fight for his life his home and the heart of the one he loves This title was previously published by Total E Bound The overall story remains unchanged but with revisions to the Simon and Frances storyline

*Trailer Trash* Marie Sexton, 2016-03-21 It s 1986 and what should have been the greatest summer of Nate Bradford s life goes sour when his parents suddenly divorce Now instead of spending his senior year in his hometown of Austin Texas he s living with his father in Warren Wyoming population 2 833 and Nate thinks that might be a generous estimate There s no swimming pool no tennis team no mall not even any MTV The entire school s smaller than his graduating class back home and in a town where the top teen pastimes are sex and drugs Nate just doesn t fit in Then Nate meets Cody Lawrence Cody s dirt poor from a broken family and definitely lives on the wrong side of the tracks Nate s dad says Cody s bad news The other kids say he s trash But Nate knows Cody s a good kid who s been dealt a lousy hand In fact he s beginning to think his feelings for Cody go beyond friendship Admitting he might be gay is hard enough but between small town prejudices and the growing AIDS epidemic dominating the headlines a town like Warren Wyoming is no place for two young men to fall in love

**Flowers for Him** Marie Sexton, Rowan Speedwell, 2013-10-05 He wanted to learn about beauty He never expected to learn about love Billionaire Chandler Harrison s third marriage is now history and he s left with his ex wife s parting barb You have no appreciation of beauty Determined to prove her wrong Chandler hires artist Neil Sweeney to add a mural to his office wall He doesn t even care what the picture is as long as it s beautiful Neil Sweeney is an ex tagger a free spirit and a bit of a hippie He s never met anybody as uptight as Chandler but when it comes to warming up Chandler s cold stark office Neil has plans involving more than art Chandler begins to find himself strangely moved by the mural developing on his office wall He s especially moved by the artist himself Chandler has denied his homosexual urges for most of his life but it isn t long before Neil begins introducing Chandler to all kinds of new things As Neil s masterpiece comes to life so does Chandler s appreciation for art colour and the best kind of beauty of all

C. Simoni,Henrick van Haestens,2003 After the famous Battle of Nieuwpoort in West Flanders in 1600 another feat of arms was to follow in the same area the Siege of Ostend which lasted from 1601 to 1604 Maurits was yet again to play the leading role and despite the fact that the outcome was less of a success for the young Republic of the Seven United Netherlands than the battle of Nieuwpoort had been the result was a Spanish conquest of a city of total devastation and by then wholly depopulated Nevertheless a considerable impression had been made upon the Northern Netherlands The most weird and wonderful machines of war had been tested whilst a variety of new military siege techniques had been brought into play There was even talk of the University of Ostend with the implication that from a military perspective the siege was a very instructive experience Many too were the rumors and the garbled tales that began to circulate soon after the end of the affair One example was the legend of the soldier in the Spanish army who appeared to be a woman In this book Dr Simoni provides a detailed and stimulating account of the manner of and the form by which the tales of these shocking occurrences arose soon after the events of the siege had been set down and immediately went into print after the details had reached the North

These reports were to leave such a lasting impression in the Republic that Ostend became one of the most well known feats of arms in the penultimate stages of the struggle for freedom from Spain The book is thus a brilliant example of the received history of one of the most controversial events of the Eighty Years War The role of the Leiden printer and publisher Hendrick van Haestens stands central to the Ostend Story He provides accounts of the fighting in no less than three publications Dr Simoni in this study reaches the conclusion that Haestens reports are deserving of a more important place than they have found thus far It is mainly to him that we owe the provision of a clear and lively picture of the famous siege Dr Simoni has been working over thirty years in the Department of Printed Books in the British Library where she originated the Netherlands section Numerous works from her hand have appeared about books published in the Netherlands Her natural gifts of generosity and friendship were honored in 1991 with a Festschrift Across the narrow seas Studies in the history and bibliography of Britain and the Low Countries 27 illustrations

**Hand-books for Travellers in Europe and the East** W. Pembroke Fetridge, 1887    **The American Travellers' Guides** William Pembroke Fetridge, 1878    *The Mighty Saviour*, 2000    *Bradshaw's continental [afterw.] monthly continental railway, steam navigation & conveyance guide. June 1847 - July/Oct. 1939* George Bradshaw, 1862    The Great Parade Pierre Théberge, Galeries Nationales du Grand Palais (Parijs), National Gallery of Canada, 2004-01-01 A beautiful book that showcases how circus figures and artifacts have been portrayed in art over the past two centuries The circus is a dazzling world filled with acrobats and harlequins tumblers and riders monsters and celestial creatures Now this engaging book sets that world in a new light examining how painters sculptors and photographers from the eighteenth century to the present have used the circus as a springboard for their imaginative expression and have envisioned the clown as a metaphor for the modern artist The book presents more than 175 works by such artists as Degas Toulouse Lautrec Rouault Picasso Chagall and L ger Some of these are masterful works shown for the first time these range from the 18 meter stage curtain Picasso designed in 1917 for Erik Satie s ballet Parade to more intimate works such as Nadar and Tournachon s photographs of Pierrot as played by celebrated mime Charles Debureau    *Bengal Catholic Herald*, 1844    Dynasty and Piety Luc Duerloo, 2016-04-29 The youngest son of Emperor Maximilian II and nephew of Philip II of Spain Archduke Albert 1559 1621 was originally destined for the church However dynastic imperatives decided otherwise and in 1598 upon his marriage to Philip s daughter the Infanta Isabella Clara Eugenia he found himself ruler of the Habsburg Netherlands one of the most dynamic yet politically unstable territories in early modern Europe Through an investigation of Albert s reign this book offers a new and fuller understanding of international events of the time and the Habsburg role in them Drawing on a wide range of archival and visual material the resulting study of Habsburg political culture demonstrates the large degree of autonomy enjoyed by the archducal regime which allowed Albert and his entourage to exert a decisive influence on several crucial events preparing the ground for the Anglo Spanish peace of 1604 by the immediate recognition of King James clearing the way for the Twelve Years Truce by

conditionally accepting the independence of the United Provinces reasserting Habsburg influence in the Rhineland by the armed intervention of 1614 and devising the terms of the O ate Treaty of 1617 In doing so the book shows how they sought to initiate a realistic policy of consolidation benefiting the Spanish Monarchy and the House of Habsburg Whilst previous work on the subject has tended to concentrate on either the relationship between Spain and the Netherlands or between Spain and the Empire this book offers a far deeper and much more nuanced insight in how the House of Habsburg functioned as a dynasty during these critical years of increasing religious tensions Based on extensive research in the archives left by the archducal regime and its diplomatic partners or rivals it bridges the gap between the reigns of Philip II and Philip IV and puts research into the period onto a fascinating new basis
