Test Forms

Instructions

Tests are an important component of the Saxon program. We believe that concepts and skills should be continually tested. However, tests should only be administered after the concepts and skills have been thoroughly practiced. Each test specifies when that particular test is to be given to the student. A schedule is also included on the back side of this page.

Note: Optional student answer forms are located at the back of this booklet. These forms provide sufficient writing space so that the student can show all of his/her work along with his/her answers. Answer forms may be copied as often as necessary to complete the course.
