Double Bass Scales, 2019-07-05 This is an easy to read Double Bass scales book with play along mp3 files for beginning and intermediate bassists. The 55 page comb bound book and CD with 144 audio mp3 files have all 12 major and melodic minor scales with triads and broken thirds. The scales are in two octaves and in three octaves. The book is set up so each page has one scale and the triads and broken thirds for that scale. This is a great way to learn. You can play along with each scale as many times as you want. Then play along with the triads and finally with the recording of the broken thirds. You may want to use an app that slows down the recording and you may set it to repeat automatically too. Learning to play the Double Bass is fun and challenging. Hope this helps. **Double Bass Scales, Arpeggios & Studies Initial-Grade 8 from 2016** Trinity
