Education in Play, with Practical Playground Programs Martha Spath,1967 This book is designed to function as an

instruction manual for the organization and administration of physical education and recreation activities It is a comprehensive guide for a balanced program It contains functional material for the physical education teacher in the elementary school and for the leader of a summer playground program There are five similar but different programs outlined The teacher s or the leader s own initiative and ability will determine the success of the program It is much better to overplan than to underplan Thus more weekly and daily activities are planned here than could be used time wise By overplanning I have given the teacher or the leader the choice of activities best adapted to his school or playground Preface
