at a brisk pace the violent scenes were truly horrifying I would certainly recommend Xolo to horror fans everywhere seeking a well penned and highly creative chilling tale K C Finn Readers Favorite Horrifying yet visceral Xolo will strike you as a cross between Cujo and Devil Dog but the novel itself offers its own unique storyline a study of the human canine relationship and the tragedies it presents Peter Hurd gives the novel an eerie Lovecraftian vibe the horror that pervades is so mysterious that we need to look deep within ourselves first to understand its very nature Xolo is more than just a story of a vengeful canine it s about what we don t see in ourselves It s a novel about conscience priorities principles fear danger revenge love and peace With its foreboding atmosphere and sharp tension this highly recommended tale of canine horror can potentially become a classic Vincent Dublado Readers Favorite Hurd has written a dark yet moving book that draws you in from the very beginning with compelling characters including one enigmatic dog making it a great terrorizing read for any fans of the horror genre Alex Telander Manhattan Book Review The story is fast to establish its familiar horror roots The escalating attacks are meted out in a way that creates tension while the attacks themselves are gory they also hold attention showing blood splattering and relaying the sensations of canine teeth ripping flesh Every character is developed in rich terms Indeed everyone who populates this novel has a place in its story a fact amplified by the poetic descriptions of the settings The prose maintains an underlying mounting sense of terror Xolo haunts it in cult horror fashion implacable and ever present John M Murray Foreword Clarion Reviews A modern creature feature that pays homage to classic horror Hurd is a talented writer who knows how to pace a scene for maximum scares Hurd lets you see every detail and feel the menace you know the dogs are close He creates believable characters with human flaws and problems And horror fans will enjoy his occasional nods to genre classics Kirkus Reviews *100 Ideas for Primary Teachers: Engaging Parents* Janet Goodall,Kathryn
