Dear [Teacher],

We understand that teaching can be overwhelming at times, and we want to suggest you be finding positive and effective ways to manage the challenges of the classroom. Moreover, we have noticed reports that you have engaged in misconduct in the classroom.

We are aware of your work. We are also aware of the challenges you face in the classroom. We are not aware of any misconduct or professional challenges that you have faced. We are not aware of any misconduct or professional challenges that you have faced. We are not aware of any misconduct or professional challenges that you have faced.

We encourage you to reflect on your actions and make a concerted effort to maintain professional and ethical conduct in the classroom. We are here to support you and want to work with you to find solutions.

Sincerely,

[Principal]

Sample Warning Letter To A Teacher:

Becoming a School Leader Charles A. Bonnici, 2013-12-05 There are many master teachers who have excellent organizational and interpersonal relation skills who think about becoming assistant principals and principals Becoming a School Leader is designed primarily for these master teachers as they contemplate the next step in their professional careers It will help them decide if school leadership is their correct career pathway Then it will provide them with the knowledge and skills they will need to navigate the process of finding a certification program and then applying for and obtaining school leadership positions Becoming a School Leader is also addressed to those already in certification programs providing a wealth of detailed information on the types of questions they might face on state examinations and in the arduous interview process Professors of Educational Leadership could make use of this book as a supplementary text in both entry and exit courses Finally neophyte principals will find this book helpful as they develop their criteria and questions for the selection of assistant principals or department chairs in their schools Teacher Evaluation that Works!! William B. Ribas, 2005 Offers practical and effective methods for evaluating educators and provides districts with the tools to systematically and cost effectively assess and revise their supervision and evaluation programs *The Newly Qualified Secondary Teacher's Handbook* Kevan Bleach, 2013-12-16 Written to coincide with the introduction of Induction Standards for new entrants to the teaching profession this text aims to help to smooth the transition from theory and supervised teaching to independent reflexive practice It provides a combination of explanation challenge practical activities and authentic case studies The author acknowledges the importance of professional development during the induction year and advocates the gradual implementation and reinforcement of effective strategies for good teaching He also urges readers to develop the creative intuitive and natural born abilities that help to fashion their own individual teaching styles Though informed by the Induction Standards the aim of the book is to help teachers set ambitious personal and professional expectations through which they will realize their full potential *The Principal as School Manager* William L. Sharp, James K. Walter, 2012-11-03 Designed to teach the principal to efficiently and effectively accomplish noninstructional roles the third edition of *The Principal as School Manager* offers advice on expectations and survival techniques to ensure the principal's longevity in the district Like the previous editions this book is an essential guide to practice and procedure Its chapter on school legal issues will be especially useful for principals dealing with improper Internet usage drug testing and off campus searches Other chapters will explain the role of the assistant principal the importance of maintaining safe schools in a climate of violence and the relationship between the principal and the superintendent This third edition contains new chapters and sections on managing the school curriculum special education classroom walk throughs creating a healthy school environment and cyberbullying Appropriate also for graduate courses on the principalship educational administration educational leadership and personnel administration *The Principal as School Leader* is the go to guide for both novice and veteran school principals The
