

Source A

This extract is from Clive James' autobiography, published in 1980. Here, he writes about going to the cinema as a child in Australia in the 1940s.

- 1 Every Saturday afternoon at the pictures there was a feature film, sixteen cartoons and an episode each from four different serials. The programme just went on and on and on. The Margaret Street children would join up with the Irene Street children and the combined mass would add themselves to the Sunbeam Avenue children and they would join the
- 5 Swarm of children from all the other areas, all moving north along Rocky Point Road towards Rockdale, where the Odeon stood.

- In summer, the concrete footpaths were hot. The tarmac footpaths were even hotter: bubbles of tar formed, to be squashed flat by our leathery bare feet. Running around on gravelled playgrounds throughout the spring, by summer we had feet that could tread on a drawing pin and hardly feel it.
- 10

- When you got to the cinema the first thing you did was stock up with lollies. Lollies was the Australian word for what the English call sweets and the Americans call candy. Some of the more privileged children had upwards of five shillings each to dispose of, but in fact two shillings was enough to buy you as much as you could eat. Everyone, without exception, bought at least one Hoadley's Violet Crumble Bar. It was a slab of dense, dry honeycomb coated with chocolate. So frangible was the honeycomb that it would shatter when bitten, scattering bright yellow shrapnel. It was like trying to eat a china vase. The honeycomb would go soft only after a day's exposure to direct sunlight. The chocolate surrounding it, however, would liquefy after only ten minutes in a dark cinema.
- 15

- Fantails came in a weird, blue packet shaped like an isosceles triangle with one corner missing. Each individual Fantail was wrapped in a piece of paper detailing a film star's biography — hence the pun, fan tails. The Fantail itself was a chocolate-coated lolly so glutinous that it could induce lockjaw in a donkey. People had to have their mouths chipped open with a gold chisel. One packet of Fantails would last an average human being forever. A group of six small boys could go through a packet during the course of a single afternoon at the pictures, but it took hard work and involved a lot of strangled crying in the dark. Any fillings you had in your second teeth would be removed instantly, while children who still had any first teeth left didn't keep them long.
- 25

- The star lolly, outstripping even the Violet Crumble Bar and the Fantail in popularity, was undoubtedly the Jaffa. A packet of Jaffas was loaded like a cluster bomb with about fifty globular lollies the size of ordinary marbles. The Jaffa had a dark chocolate core and a brittle orange candy coat: in cross-section it looked rather like the planet Earth.
- 30

- It presented two alternative ways of being eaten, each with its allure. You could fondle the Jaffa on the tongue until your saliva ate its way through the casing, whereupon the taste of chocolate would invade your mouth with a sublime, majestic inevitability. Or you could bite straight through and submit the interior of your head to a stunning explosion of flavour.
- 35

- Sucking and biting your way through forty or so Jaffas while Jungle Jim wrestled with the crocodiles on screen, you nearly always had a few left over after the stomach could take no more. The spare Jaffas made ideal ammunition. Flying through the dark, they would bounce off a child's skull with the noise of bullets hitting a bell.
- 40

Everyone either ate steadily or raced up and down the aisles or to and from the toilet or all three. The uproar was continuous, like Niagara Falls. Meanwhile the film was unreeling in front of us.
