The Little Oxen Programme Booklet Walter Firth,2017-07-25

When author and high school teacher Walter Firth attempted to start a Christian after school programme he found that the traditional curriculum sources had not been meeting the demands of today's society. By putting his teaching skills to good use he began formulating a programme designed to engage with students' emotional, moral, intellectual, social and spiritual development. The Little Oxen Programme Booklet presents a set of lessons designed for either after school activities or Sunday school. They are designed to be fun and exciting whilst supporting and nurturing children in a safe and caring environment. Building on biblical stories and intended for a two person teaching team, each lesson includes a range of activities including arts, crafts and drama. These work to engage students' attention and convey important messages to young people. Insightful and practical, this programme of biblical studies guides the development of children and youth in a way that current Christian material tends to miss.

Bible Stories and Crafts Mary Tucker,2004-01-06 Dozens of stories about Bible characters and events are accompanied by discussion questions, memory verses, craft patterns and more.

Guiding Light: Fun & Faith-Building Bible Activities For Children Gerard Assey,2023-08-30 Guiding Light Fun Faith Building Bible Activities for Children offers a dynamic journey through the timeless stories of the Bible reimagined as interactive experiences for children aged 5 to 10. This comprehensive resource equips parents, teachers and guardians with a wealth of creative tools to nurture faith, character and moral values in young hearts and minds. Each chapter delves into a Bible story such as Creation, Noah's Ark and the Prodigal Son and combines it with engaging activities like word searches, crafts, games and discussions. These activities are designed to make the stories relatable, fostering understanding and curiosity. The book provides practical tips and action plans for adults to take forward with children, encouraging them to model faith, encourage questions and create a safe environment for exploration. As a result, children not only learn about these foundational stories but also develop the values and principles that will guide them throughout their lives. Guiding Light Fun Faith Building Bible Activities for Children is a transformative resource for families and educators, fostering a lifelong journey of faith and moral growth.
