## You can read anywhere!

May is Get-Caught-Reading Month! It's the month when we remind ourselves and others that reading is part of our daily lives. Reading for pleasure is something we can do anywhere and anytime!

Here are some ideas that communicate the "reading is part of our lives" message for you to try out this May.

### SPEND JUST 15 MINUTES A DAY READING STORYBOOKS ALOUD TO YOUR CHILDREN.

- ★ Make it a relaxed and enjoyable time. When your children realise that stories can be found in books, they will try to read for themselves. Good readers at school are often the children who read at home with family and friends.
- ★ Many parents and grandparents set aside a special time every day to read to their children or grandchildren. They often choose to do this at bedtime, but some children may find it easier to concentrate at other times of the day. This month try reading together at different times of the day, as well as at your usual time. For example, you could try reading to your children when you get home from work, after bath time, immediately after supper, or first thing after you wake up over a weekend!

### WHAT IS THE MOST UNUSUAL PLACE YOU CAN THINK OF TO ENJOY A BOOK?

- ★ This month try reading to your children in different places. Read to them on the way to school in the taxi or bus, or when they are in the bath. Over a weekend, when you have more time, go for a walk together in a park, at the beach or in the mountains, and take some books and a blanket with you. As you walk along, look out for a nice reading spot – then settle down on the blanket, relax and read!

The easiest way to encourage others to read, is simply by being a reading role model yourself – when you regularly read for enjoyment, you show others that reading is a worthwhile leisure activity. So, this May don't forget to get caught reading!
