SAMPLE ESSAY—Classical Method

PROMPT 1: Should minors be dissuaded from using the Internet and social media?

The harsh reality of living in the modern world includes fears of online predators, social media bullies, and identity theft. Yet, to separate our lives from the technologies on which we rely seems impossible. The Internet and social media are powerful tools for education and humanitarianism, which minors can learn to appreciate and safely use despite the evident dangers. A consideration of appropriate online sites may help one better see that the Internet and social media have a crucial role in the lives of young people.
