Escape From Evil's Darkness Fr. Robert Spitzer, S.J., 2021-02-22 In this second volume of the Called Out of Darkness trilogy Father Robert Spitzer S J draws together some of the best advice given by Catholic spiritual masters across the ages and brings it into harmony with modern scientific research offering practical ways to live out the gospel in our busy days It is a roadmap to a deeper relationship with the Lord and to authentic transformation through the imitation of Christ Giving evidence that Jesus established just one Church with Peter as its head Spitzer shows that the Catholic Church with its rich array of sacraments teachings prayer traditions and lived examples of holiness continues to be fertile ground for profound Christian conversion But no true conversion is purely spiritual it must bear fruit in our daily lives Father Spitzer guides readers through the workings of moral transformation with detailed sketches of all the cardinal and theological virtues especially love Using insights from Saint Ignatius of Loyola as well as from modern psychology *Escape from Evil s Darkness* concludes with an in depth study of the sacrament of confession and the staggering power of God s loving mercy **The**

explaining that the kingdom of God is like a mustard seed because it starts small and grows big Edwards tells a story of a video that goes viral Each chapter is a different story of the kingdom of God based on a different parable of Jesus
