PROJECT MANAGEMENT, SECOND EDITION GUPTA, RAJEEV M., 2014-03-13 The Second Edition of this comprehensive book discusses the fundamental aspects of Project Management in a student friendly manner. It deals with topics such as project life cycle, project selection, feasibility study and techniques like PERT and CPM for project control. Various methods such as Hillier model, sensitivity analysis and simulations are described with hypothetical numerical examples to evaluate risk. A new chapter on International Aspects of Project Management is added to provide the knowledge of project management at international level. Several new case studies have also been added to provide better learning of the various concepts of the subject. Besides these, most of the chapters have been updated with new figures and more practical problems. Primarily designed for the undergraduate and postgraduate students of management and engineering, industrial and civil engineering, the book will be equally useful to the practicing professionals of project management. **KEY FEATURES OF THE BOOK** Includes algorithms for crashing and resource leveling. Provides a new method for determining marketing feasibility. Describes quantitative methodology for evaluating risk. **AUDIENCE** Undergraduate and Postgraduate students of Management and Engineering, Industrial and Civil Engineering. **Strategic Financial Management** RAJNI SOFAT, PREETI HIRO, 2011-07-30 Discusses the basics of strategic management as well as financial management and explains how businesses can formulate strategies to pursue their financial objectives and strengthen their financial position. It is intended as a text for postgraduate students of management. In addition, students pursuing professional courses such as chartered accountancy, MFC as well as professionals in the corporate sector will find the book useful. **STRATEGIC FINANCIAL MANAGEMENT, SECOND EDITION** SOFAT, RAJNI, HIRO, PREETI, 2015-10-28 The Second Edition of the book encompasses two new chapters: Strategic Cost Management and Business Ethics. A Strategic Financial Management Instrument. The book, being an augmented version of the previous edition, equips the young managers with the fundamentals and basics of strategic management and financial management in a cogent manner. The text now provides a better orientation to the students on the topics like corporate restructuring, divestitures, acquisitions and mergers in the global context with the help of examples and caselets. The book has been revised keeping in view the requirements of postgraduate students of management and the students pursuing professional courses such as CA, MFC and CS. In addition, professionals working in the corporate sector may also find the book beneficial to integrate the financial management functions into business strategy and financial operations. **Distinctive features** Model question papers have been appended at the end of the book. Better justification of topics by merging the contents wherever required. Theory supported with caselets inspired from global as well as Indian context. *Handbook of Research on Strategic Business Infrastructure Development and Contemporary Issues in Finance* Ray, Nilanjan, Chakraborty, Kaushik, 2014-02-28 The dynamic economic climate invites participants who are grounded in strategic financial management and infrastructure development. Management James L. Perry,Annie Hondeghem,2008-05-15 Motivation in Public Management The Call of Public Service joins a long standing debate about what drives the behavior of government employees and others who are engaged in the public s business For many centuries public service was considered a noble calling and more recently a profession During the latter part of the 20th century however many scholars called into question both the reality and desirability of a public service ethic This book draws upon a substantial and growing body of evidence from across disciplines in the social behavioral and natural sciences It asks and answers key questions about the extent to which behavior is fundamentally self or other regarding To paraphrase James Madison public servants are not angels but neither are they self aggrandizing opportunists The evidence presented in this volume offers a compelling case that motivation theory should be grounded not only in

rational choice models but altruistic and prosocial perspectives as well In addition to reviewing evidence from many disciplines the volume extensively reviews research in public management conducted under the rubric of public service motivation The volume is a comprehensive guide to history methodology empirical research and institutional and managerial implications of research on public service motivation As the contributors illustrate the implications transcend particular sectors or countries *The Management Accountant* ,2007 **Emerging Financial Markets** R. Nandagopal,V. Srividya,2007 Emerging Financial Markets is organized into three sections namely Financial Markets Instruments Behavioural Finance Banking The areas covered are Private Banking Banking Mutual Funds Capital Markets Fixed Income Securities Behavioral Finance Insurance Derivatives and Risk Management The topics covered will be of use to researchers managers and consultants This book will contribute significantly towards the knowledge base and research **The Indian National Bibliography** B.
