

## Analysis of Major Characters

### Othello

Beginning with the opening lines of the play, Othello remains at a distance from much of the action that concerns and affects him. Roderigo and Iago refer ambiguously to a “he” or “him” for much of the first scene. When they begin to specify whom they are talking about, especially once they stand beneath Brabantio’s window, they do so with racial epithets, not names. These include “the Moor” (I.i.57), “the thick-lips” (I.i.66), “an old black ram” (I.i.88), and “a Barbary horse” (I.i.113). Although Othello appears at the beginning of the second scene, we do not hear his name until well into Act I, scene iii (I.iii.48). Later, Othello’s will be the last of the three ships to arrive at Cyprus in Act II, scene i; Othello will stand apart while Cassio and Iago supposedly discuss Desdemona in Act IV, scene i; and Othello will assume that Cassio is dead without being present when the fight takes place in Act V, scene i. Othello’s status as an outsider may be the reason he is such easy prey for Iago.

Although Othello is a cultural and racial outsider in Venice, his skill as a soldier and leader is nevertheless valuable and necessary to the state, and he is an integral part of Venetian civic society. He is in great demand by the duke and senate, as evidenced by Cassio’s comment that the senate “sent about three several quests” to look for Othello (I.iii.46). The Venetian government trusts Othello enough to put him in full martial and political command of Cyprus; indeed, in his dying speech, Othello reminds the Venetians of the “service” he has done their state (V.ii.348).

Those who consider Othello their social and civic peer, such as Desdemona and Brabantio, nevertheless seem drawn to him because of his exotic qualities. Othello admits as much when he tells the duke about his friendship with Brabantio. He says, - “[Desdemona’s] father loved me, oft invited me, / Still questioned me the story of my life / From year to year” (I.iii.127–129). -Othello is also able to captivate
