Jenkins,2017-04-01 Stunning conclusion to the Thirteen series Avery has just one chance to save her life and the lives of her friends Candlelight danced on the gold gilded walls and illuminated the stained glass windows You have one chance She held her breath and started down the aisle determined to not let this opportunity pass Every silent step reminded her that a thirteen year old discovered in this castle was as good as dead But not talking to the king could mean a death sentence for everyone she loved The king is very ill and in a hurry to hand over his power to a new generation when rumors begin to circulate through the kingdom It appears the king is unaware of the queen s sinister plot against the thirteen year old orphans as she wants to ensure her child becomes rightful heir to the throne Avery weighs the pros and cons of seeking an audience with the king while the castle is dealt a heavy blow but Avery decides the risk is worth taking and she steps out of the shadows for the first time since entering the castle walls When Avery is offered the opportunity of a lifetime will she choose a life free from hardship within the castle walls or her family and the home she left behind The Paper Boat is Book 3 in the Thirteen Series Look for The Glass Castle Book 1 The Ruby Moon Book 2
