

April in Philadelphia One

They turned on the fountain today
at Logan Circle (or is it Logan
Square?), but only for a minute.
You know that song by Devo?
Not Video Killed the Radio Star.
The other one. Oh shit.
Someone just told me that Devo
didn't write *Video Killed the Radio
Star*, but I was talking about *Whip It*,
anyway. Some guy was listening to
Whip It today while I rode my bike
from a largely under-privileged school
that I sometimes help to teach
to a largely over-privileged school
that I always help to teach and as I was
riding around Logan Square, listening
to this guy listen to *Whip It*, I thought
about an hour ago when I was
accosted by a very angry female janitor
who told me that I shouldn't have let the
students into the auditorium. I told her that
they said it was okay to do and she said,
"And you believed them," and I said, "yes,"
and I laughed and laughed and laughed because
today
is a good day, even if the fountain was only on
for a minute.
