Nouveau Régime publicain mais on oublie facilement la différence volontairement occultée entre l'Église avant la Révolution et l'Église après la Révolution. Alors que le royaume était intimement lié à l'Église, cette Alliance entre le Trône et l'Autel qui remonte la nuit des temps, la République par une extension de la laïcité s'est détachée des choses du Ciel relevant la divinité au rang de deus otiosus. L'étude honnêtement montre pourtant que jamais le Merveilleux n'a été autant manifesté que depuis la Révolution et que tout annonce pour bientôt un événement de nature providentielle qui va bouleverser le cours de l'Histoire. Cet ouvrage fruit de très nombreuses années de recherches constitue une somme quant aux manifestations mariales et christiques où l'auteur renouant avec les textes authentiques montre quel point il y a loin de l'Histoire Simple à l'Histoire Sainte.

Jean Delville Brendan Cole, 2014-11-10 This book is the first full length study of the art and writings of Jean Delville. As a member of the younger generation that emerged during the end of the nineteenth century he was a dynamic leader of a group of avant garde artists who sought to establish a new school of Idealist Art in Belgium. He was one of the most talented painters of his generation producing a vast body of works that in both scale and technical accomplishment is unsurpassed amongst his contemporaries. In his extensive writings in contemporary journals and books he pursued a singular vision for the purpose of art to serve as a vehicle for social change as well as to inspire individuals to be drawn to a higher spiritual reality. Delville's thinking is heavily indebted to the hermetic and esoteric philosophy that was widely popular at the time and his paintings, poetry and writings reformulate the main tenets of this tradition in a contemporary context. In this regard his aesthetic and artistic goals are similar if not identical to those found in the writings and art of Kandinsky and Mondrian during the early twentieth century.

Dolly Parton, Gender, and Country Music Leigh H. Edwards, 2018-01-06 The Foreword Indies Gold Medal Winner that analyzes Dolly Parton as a performance art project designed to subvert gender and class expectations Shondaland Dolly Parton is instantly recognizable for her iconic style and persona but how did she create her enduring image Dolly crafted her exaggerated appearance and stage personality by combining two opposing stereotypes the innocent mountain girl and the voluptuous sex symbol Emerging through her lyrics personal stories stage presence and visual imagery these wildly different gender tropes form a central part of Dolly's media image and portrayal of herself as a star and celebrity By developing a multilayered image and persona Dolly both critiques representations of femininity in country music and attracts a diverse fan base ranging from country and pop music fans to feminists and gay rights advocates In Dolly Parton Gender and Country Music Leigh H Edwards explores Dolly's roles as musician actor author philanthropist and entrepreneur to show how Dolly's gender subversion highlights the challenges that can be found even in the most seemingly traditional form of American popular music As Dolly depicts herself as simultaneously real and fake she offers new perspectives on country music's claims of authenticity A valuable contribution to studies of celebrity gender music media and popular culture that should be useful to scholars working in any of these areas

Celebrity Studies A stellar exploration of how Parton deftly balanced traditional country aesthetics with her willingness to rebel against those same trappings by completely owning her image and how she performed her femininity *Bearded Gentlemen Music*

When I Go Rainer Maria Rilke, 2017-08-29 Rilke's French poetry appears here for the first time in readable musical versions Largely unknown and rarely collected these poems were written during the euphoria Rilke felt after having completed his greatest German works the Duino Elegies and the Sonnets to Orpheus At the same time Rilke was growing increasingly ill with a rare undiagnosed form of leukemia He died just four short years into the production of these poems and death appears in them as a kindly unfamiliar figure to be faced with courage and surrender Five series of poems are featured *Roses Windows Affectionate Tribute to France Valaisian Quatrains and Orchards*
