

One day, Jesus was talking with his disciples and teaching them.

When Peter asked...

How often should I forgive someone who sins against me? Seven times?

Not seven times but seventy seven times.

Therefore the Kingdom of Heaven is like a certain king, who wanted to reconcile accounts with his servants.

The king was settling all the money back they owe him. And one servant owed him ten thousand talents.

I wish that he be cruel with his family and everything he own.

O Lord! Please be patient with me and I will pay it all.

But one servant couldn't pay him back as he didn't have money

The king felt bad and released him, and forgave him the debt.

Forgive his debt and let him go

After he left he went to a fellow servant who owes him a hundred denarii... and said...

Please give me some more time

Pay me what you owe!
