PARADISE GONE WRONG Homeless in Thailand Stephen Quinn, 2015-03-18 **Where Did My Life Go? Homeless and Out of Business** K.D. Sanders, 2015-10-31 Where Did My Life Go Homeless and Out of Business is by far one of the most raw powerful and engaging reads that I've come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there's another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author's opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I've been coming across these days Definitely worth checking out Amazon Review **Gone Troppo** Stuart Lloyd, 2006-03-01 In this riotous romp through South Africa Malaysia Thailand Singapore the Philippines India Mexico Hawaii Costa Rica and Rarotonga Stu often finds more Purgatory than Paradise more Hell than Heaven But none of this curbs his passion for The Tropics Or cold beer So lie back in a deckchair put on your sunscreen and join Stu in this quirky quest for Paradise The Untold K. R. Nierz, 2015-09-10 Being a foreign worker they come to the country empty handed hoping for the best not only for them but also for their family but sometimes life overseas turns sour and not as they expected it to be But should they be mistreated This book their story shows love courage motivation on how being an undocumented foreign worker has changed their lives for the better for the change for new beginnings not only for themselves but also to the people that they encounter in their life showing and proving that despite everything that happens in life there is always hope *Fear and Faith in Paradise* Phil Karber, 2012-06-18 From life along the Tigris River in the 1970s to the ongoing Arab Spring uprisings Phil Karber has witnessed decades of change throughout the Middle East Fear and Faith in Paradise draws on his wealth of experience to sketch a timely and compelling portrait of the region throughout history Going beyond the endless images of terrorism and war he challenges pervasive stereotypes of Muslims and delves into the living history and cultures of Arabs Turks Kurds Persians Jews Tunisians Moroccans Armenians and others Seamlessly moving between past and present Karber skillfully develops two overarching themes How America's footprint can be shifted from a military to a humanitarian emphasis and how fear is used as a cudgel by today's monotheistic leaders to sacrifice the faithful Whether Christian Muslim or Jewish they all invoke their own vision of paradise often as incentive in hopeless conflicts that seem doomed to be repeated Karber's down to earth writing vividly conveys the region's charm and beauty against a backdrop of power struggles among
