Paradise Lost by John Milton Annotated Edition John Milton, 2021-06-27. John Milton was born on December 9, 1608, around the time Shakespeare began writing his romance plays Cymbeline, The Winter's Tale, The Tempest, and John Smith established his colony at Jamestown. Milton's father was a scrivener and perhaps more importantly a devout Puritan who had been disinherited by his Roman Catholic family when he turned Protestant. In April 1625, just after the accession of Charles I, he matriculated at Christ's College, Cambridge. During these years, Milton considered entering the ministry, but his poetic ambitions always seemed to take precedence over his ministerial aspirations. Milton composed his early verse in Latin in the fashion of a classically educated person. As soon as his third year at Cambridge, however, he expressed his desire to abandon such fashionable poetry in order to write in his native tongue. Unlike the learned classicists of his day, who imitated Greek and Latin versification, Milton sought to rehabilitate the English poetic tradition by establishing it as an extension or flowering of the classical tradition. He saw himself as a poet whose lineage extended through the Romans back to the Greeks. Like Homer and Virgil before him, Milton would be the epic poet of the English nation. Paradise Lost: Introduction John Broadbent, 1972-03-09. In this, the first introductory volume of the Cambridge Milton for Schools and Colleges, Professor Broadbent, the general editor of the series, presents background and introductory material essential to students for a proper understanding of Paradise Lost. Chapters on mythology, the epic, the writing, publication, and subsequent editing of PL, and on Milton's ideology and world view, provide the background to the poem as a whole. The second half of the book engages with the poetry at a more detailed level and examines themes, structures, allusion, language, syntax, rhetoric, similes, rhythm, and style, always showing the reader how he can best understand and appreciate Milton's usage. Extensive quotation from PL and other works by Milton and others helps to make all clear. *British Museum* British Museum (London), 1883 **Paradise Lost Classic Annotated Editions (Signet Classics)** John Milton, 2021-05-06.
