It was so crowded that it was difficult to maneuver the shopping cart through the packed aisles. Bernard told James to stay close so that they would not get separated in the store. Bernard tried his best to move quickly so that they could get out of the crowds and go home to enjoy the rest of the sunny day outside. As they neared the checkout counter, Bernard told James he could pick out a candy bar since he was so helpful and **patient**.

What does **patient** mean?

☐ The act of staying calm and waiting politely.

☐ Someone who a doctor treats.
