The Care of Things Jerome Denis, David Pontille, 2025-01-22 What does a coffee machine a car road signs a smartphone a cathedral a work of art a satellite a bicycle a washing machine a bridge a watch a computer the body of a prominent politician and a tractor have in common Pretty much nothing except for the fact that no matter how small large important or insignificant something is it rarely survives without being cared for Every object eventually experiences wear and tear it deteriorates stops working or breaks down But are we giving the care of things the recognition it deserves A counterpoint to our modern obsession with innovation but less striking than the one off act of restoration the delicate act of making things last rarely attracts our attention This book disrupts our dominant narratives by putting those individuals skilled in the art of maintenance front and centre J r me Denis and David Pontille shine a spotlight on the subtle aspects of caring for things tracing the stories of those involved and with them the ethical challenges raised and political lessons learned These people demonstrate a sensitivity and attentiveness to fragility they encourage us to cultivate a material diplomacy in which wear is accepted and our relation to things becomes a matter of negotiation and compromise a far cry from the frenetic rhythm of planned obsolescence inherent in hyper consumerism Maintenance demarcates the contours of a world in which we have relinquished the human longing for unlimited power and technological autonomy a world where our attachment to things is more profound than we ever imagined

Small Engines and Outdoor Power Equipment Cool Springs Press, 2014-03-15 This new book is more than a simple engine repair manual Designed for the beginner with little or no mechanical experience Small Engines Outdoor Power Equipment is a graphically appealing step by step guide that covers all of the most important engine maintenance and repair skills you'll need to keep your equipment running at peak performance It also shows exactly how to perform mechanical upkeep and repairs on the most common outdoor power implements including lawn mowers snow blowers chain saws power washers generators leaf blowers rototillers wood splitters lawn edgers and weed whips With clear how to photos and detailed diagrams you'll see exactly what needs to be done A comprehensive troubleshooting guide helps you define problems and enact solutions With Small Engines Outdoor Power Equipment in your library you won't need to haul the lawn mower off to the repair center and wait a few weeks just because a filter is plugged or the old gas needs to be replaced Among the many skills you'll learn are seasonal tune ups changing oil servicing spark plugs cleaning filters replacing a muffler servicing the fuel tank overhauling a

carburetor servicing brakes inspecting a flywheel replacing a fuel pump and replacing a rewind cord *Easy Street* Maggie Rowe,2022-01-25 A moving and offbeat story of unlikely friendship the cost of ambition and what happens when the things you've always run away from show up on your doorstep To most Maggie Rowe appears to live on Easy Street Her stylish home is in a fashionable Los Angeles neighborhood She has a kind husband who makes her laugh And after years of struggle she is finally making a name for herself in Hollywood But the agreeable confident persona she presents to the world often feels like a deception to Maggie who's long grappled with mental illness and feelings of inadequacy Enter Joanna Hergert a neurodiverse middle aged woman who lives with her elderly mother Maggie's husband Jim introduces her to the pair after meeting them at a local charbroiled chicken franchise Over the next several years she forms a friendship with Joanna and her mother despite Joanna's robust romantic fixation on Jim What begins as a mild curiosity soon blooms into a complicated and intimate friendship that will challenge Maggie to confront her mental health issues and the trade offs she's made to live life on her own terms Engrossing moving and wickedly funny *Easy Street* is a midlife coming of age buddy comedy about embracing the strength of the families we fashion finding peace with the choices we make and above all learning to be compassionate with ourselves

The Great Indian Phone Book Assa Doron,Robin Jeffrey,2013-04-02 In 2001 India had 4 million cell phone subscribers Ten years later that number had exploded to more than 750 million Over just a decade the mobile phone was transformed from a rare and unwieldy instrument to a palm sized affordable staple taken for granted by poor fishermen in Kerala and affluent entrepreneurs in Mumbai alike The Great Indian Phone Book investigates the social revolution ignited by what may be the most significant communications device in history one which has disrupted more people and relationships than the printing press wristwatch automobile or railways though it has qualities of all four In this fast paced study Assa Doron and Robin Jeffrey explore the whole ecosystem of the cheap mobile phone Blending journalistic immediacy with years of field research experience in India they portray the capitalists and bureaucrats who control the cellular infrastructure and wrestle over bandwidth rights the marketers and technicians who bring mobile phones to the masses and the often poor village bound users who adapt these addictive and sometimes troublesome devices to their daily lives Examining the challenges cell phones pose to a hierarchy bound country the authors argue that in India where caste and gender restrictions have defined power for generations the disruptive potential of mobile phones is even greater than elsewhere The Great Indian Phone Book is a rigorously researched multidimensional tale of what can happen when a powerful and readily available technology is placed in the hands of a large still predominantly poor population **Greedy**
