From the Bodies of the Gods Earl Lee, 2012-05-16 The origins of modern religion in human sacrifice ritual cannibalism visionary intoxication and the Cult of the Dead Explores ancient practices of producing sacred hallucinogenic foods and oils from the bodies of the dead for ritual consumption and religious anointing Explains how these practices are deeply embedded in the symbolism theology and sacraments of modern religion specifically Christianity and the Eucharist Documents the rites of Cults of the Dead from the prehistoric Minoans on Crete to the ancient Egyptians Greeks and Hebrews to early and medieval Christian sects such as the Cathars Long before the beginnings of civilization humans have been sacrificed and their flesh used to produce sacred foods and oils for use in religious rites Originating with the sacred harvest of hallucinogenic mushrooms from the corpses of shamans and other holy men these acts of ritual cannibalism and visionary intoxication are part of the history of all cultures including Judeo Christian ones and provided a way to commune with the dead These practices continued openly into the Dark Ages when they were suppressed and adapted into the worship of saintly bones or continued in secret by a few heretical sects such as the Cathars and the Knights Templar While little known today these rites remain deeply embedded in the symbolism theology and sacraments of modern religion and bring a much more literal meaning to the church's Holy Communion or symbolic consumption of the body and blood of Christ Documenting the sacrificial cannibalistic and psychoactive sacramental practices associated with the Cult of the Dead from the prehistoric Minoans on Crete to the ancient Egyptians and Hebrews and onward to early and medieval Christian sects Earl Lee shows how these religious rites influenced the development of Western religion In particular he reveals how Christianity originated with Jesus's effort to restore the sacred rites of Moses including the Marzeah or Feast for the Dead Examining the

connections between these rites and the mysterious funeral of Father Sauniere in Rennes le Chateau the author explains why the prehistoric Cult of the Dead has held such power over Western civilization so much so that its echoes are still heard today in our literature film and arts **The Gardeners' Chronicle** ,1925 **The Book of Genesis in the Light of Modern**
