

Strengths and Weakness

By conducting such a preliminary assessment, teams will be in a better position to instruct the most efficient and satisfying strategy for fulfilling the team's purpose. Answer the following questions with typed responses. Each question below contains multiple subtopics. Each question, including all subtopics, should be answered in 25-50 words. 1. What are the academic goals of each team member? What are the career goals of each team member? How do the academic goals of other members relate to their career goals? My (Tina) academic goals are to become an accountant.

My goals are to get through school with a degree. I am thinking of trying to work for the government, so I can get the schooling paid for. Have good benefits and so on. My current job keeps me very motivated and the money will not be a bad thing. 2. What are the strengths of each member of the team? How have these strengths been demonstrated in the past (at work, at home, or in college)? How have each team members' strengths contributed to the overall success of the team in accomplishing team objectives and projects. At home, my goals are to get through school and get my degree.

So I am dedicated to accomplishing this task by going to the university of Phoenix. At work, I demonstrate customer service, by being on the front-line. Friendly, and compassionate and we all work towards customer satisfaction. At college, I help to get all the group members together and listen and learn. While they do the same to me. Our goal is to do well, and we all do that through trial and error. We all want to accomplish our projects on time and planned out nicely, and in a timely manner. 3. What are the weaknesses of each member of the team?

How have these weaknesses been demonstrated in the past (at work, at home, or in college)? How have the team members worked together to overcome individual member's weaknesses to help team members and the team become successful? I believe my weakness is taking charge or being the facilitator. I also, have trouble following some of the concepts of the projects assigned. My group helps me out by Glenn me stories of examples that relate to the ideas of the projects. 4. What are the technology skills of each member of the team regarding operating systems, software, etc?

What technology is available to each team member on systems at home or at work)? How will team members address technology needs to meet the objectives for the team successfully? I am not a guru in the computer industry, however, I have learned by leaps and bounds just from doing schoolwork. As, with Word, and Power Point and it has been a do the team goals relate to the individual goals? What quality of academic work are the team members committed to and how will this quality be demonstrated in teamwork when writing papers and preparing for presentations?
